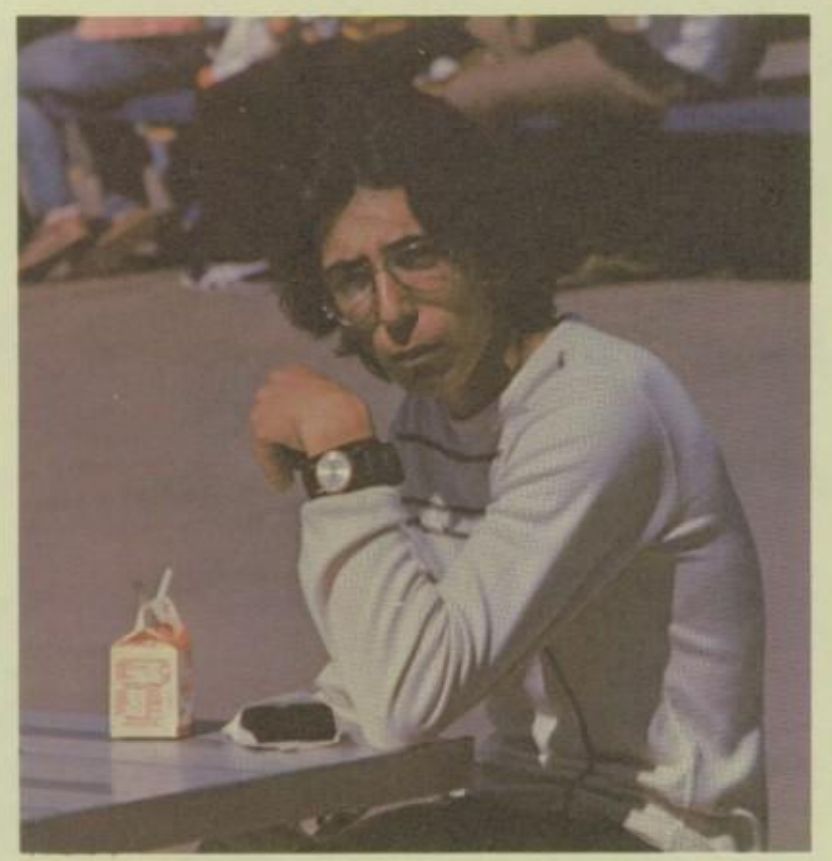
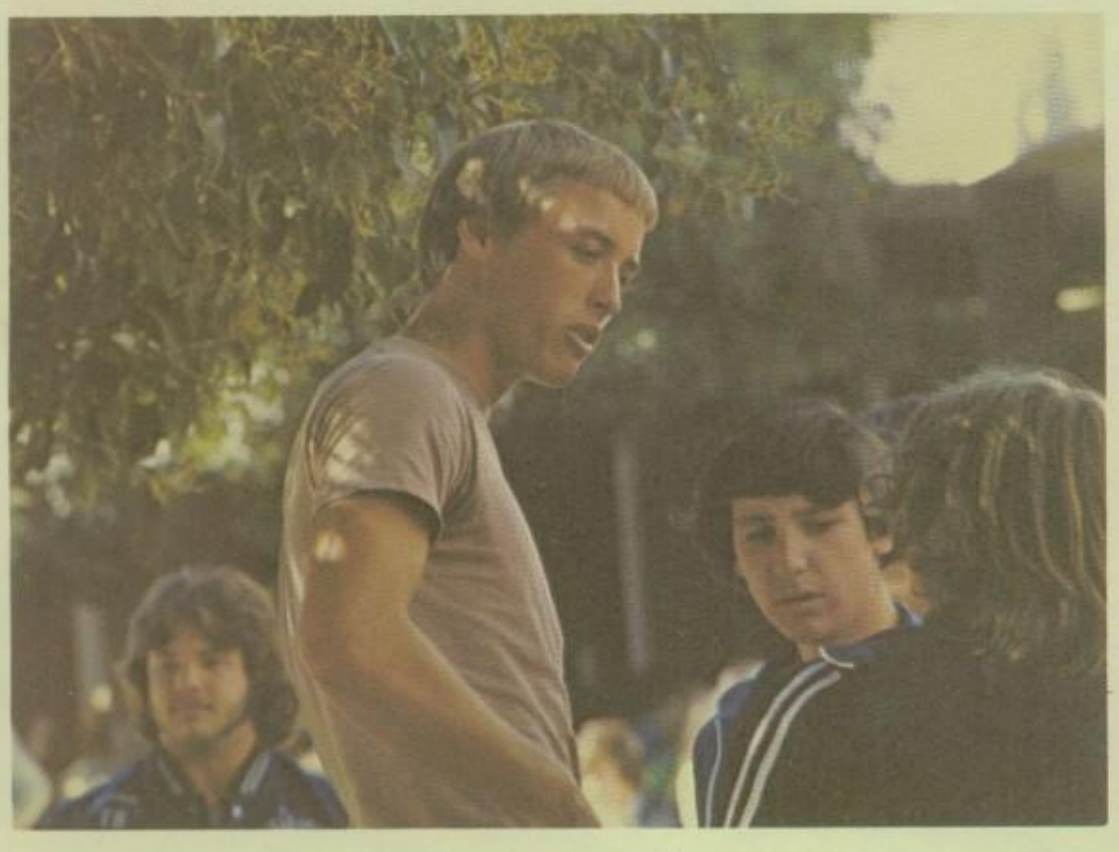
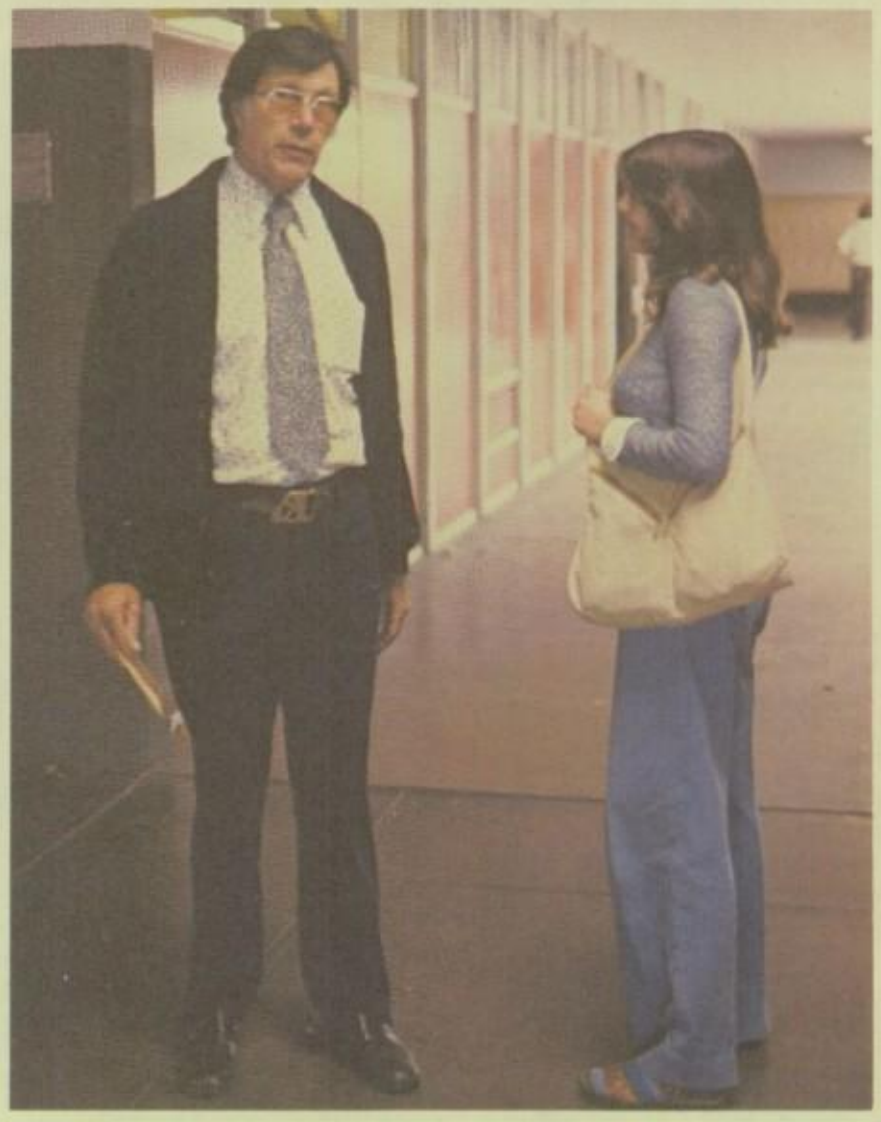
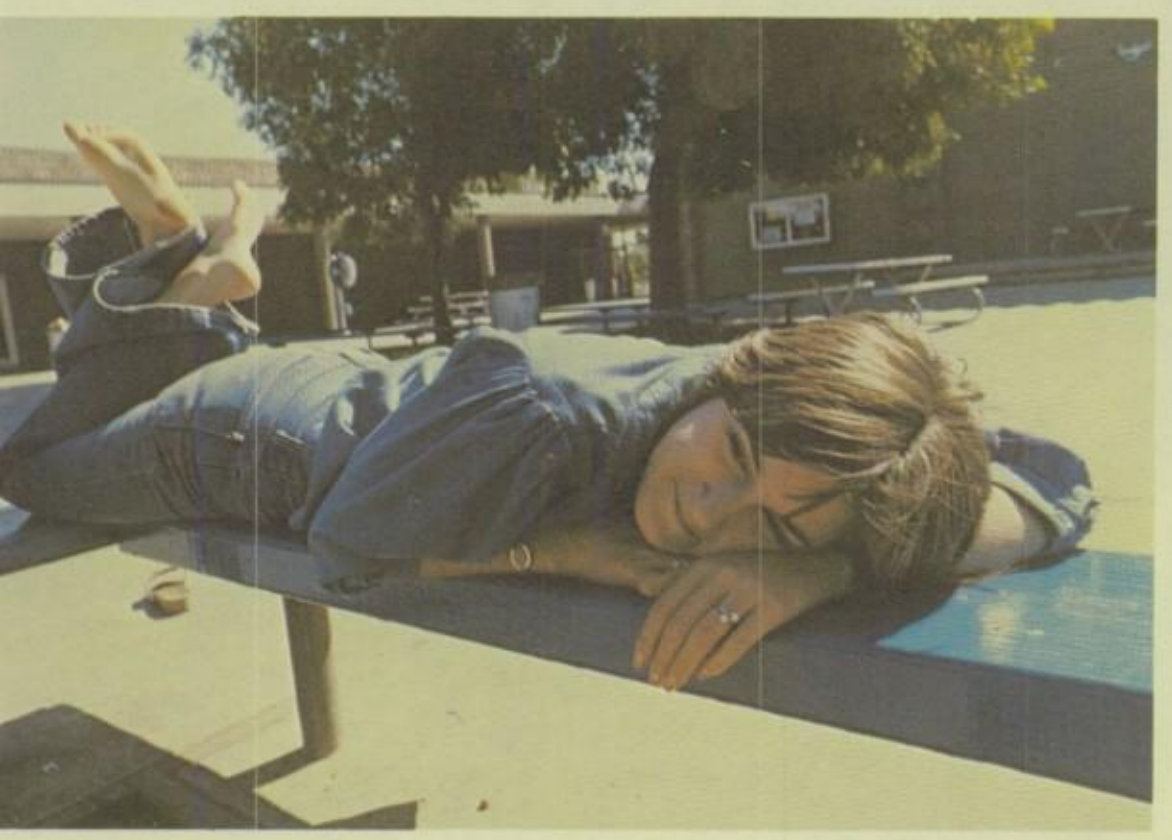
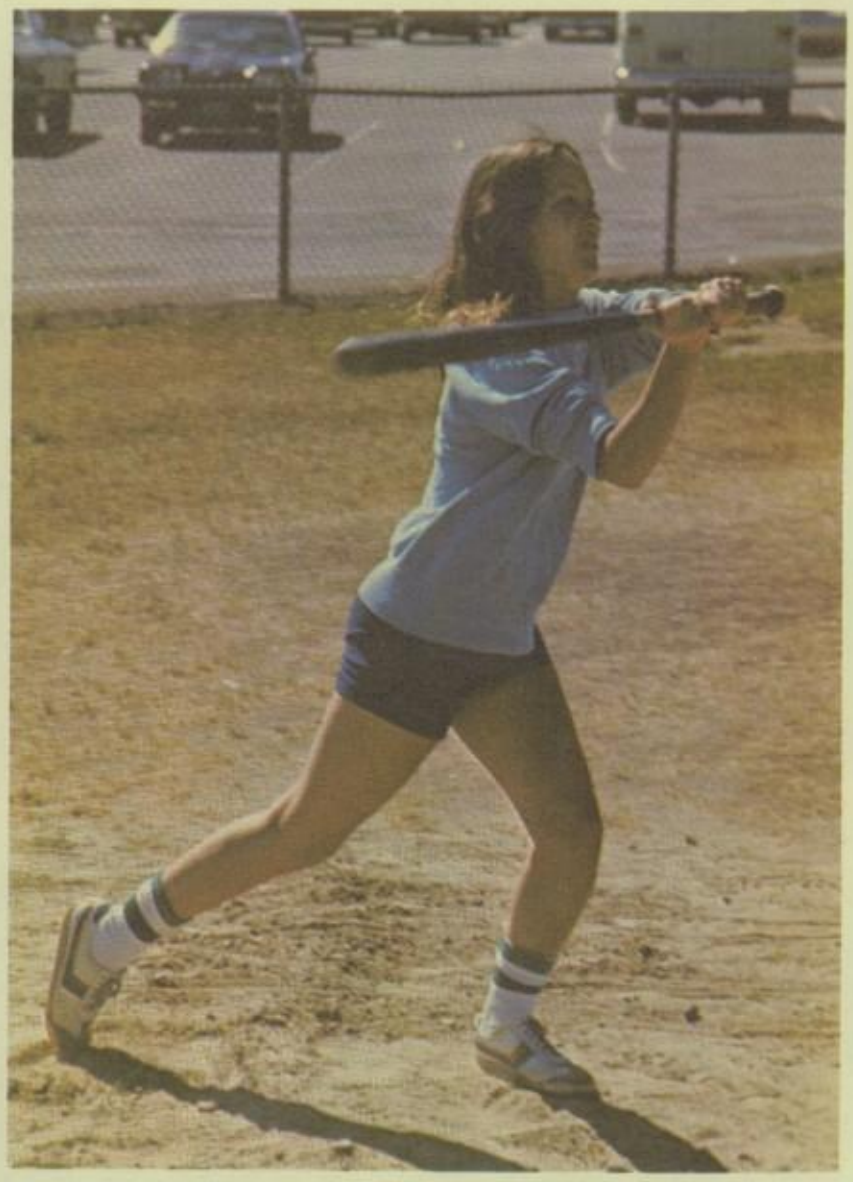
Funny how time flies

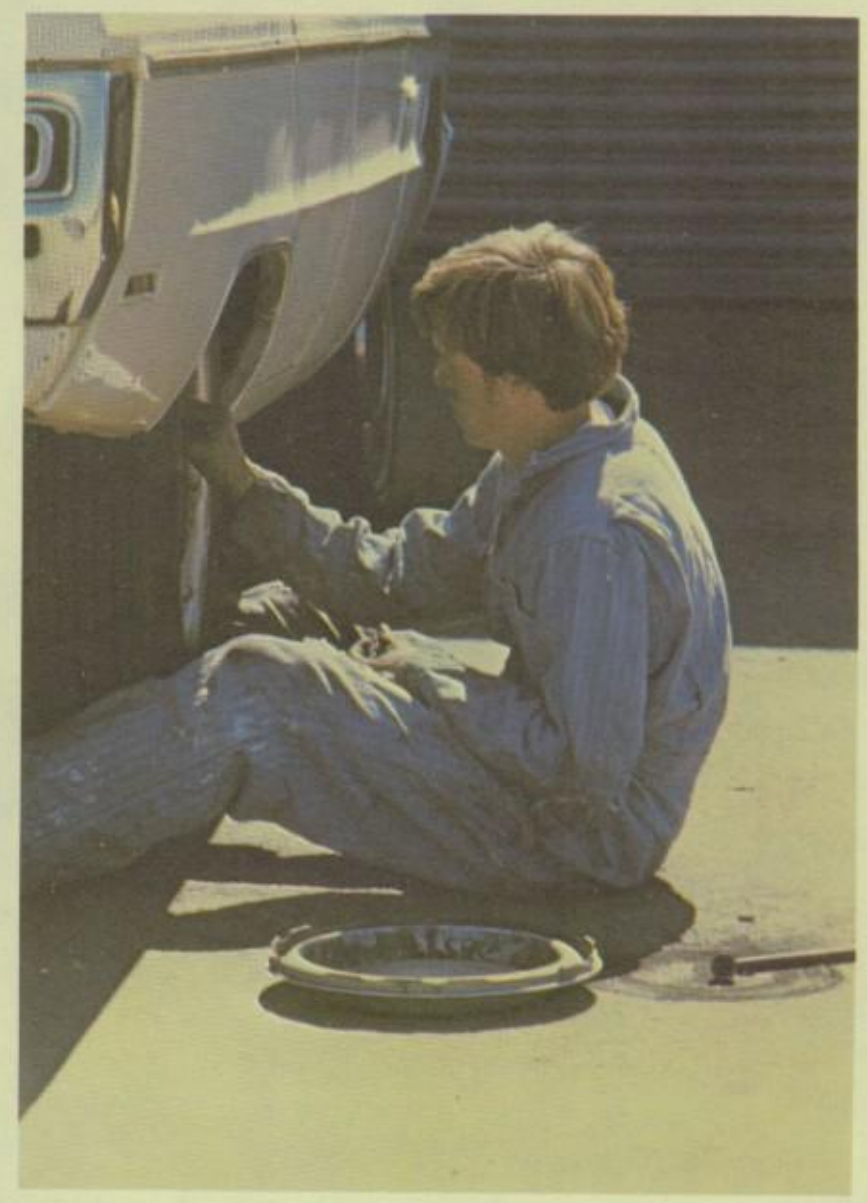




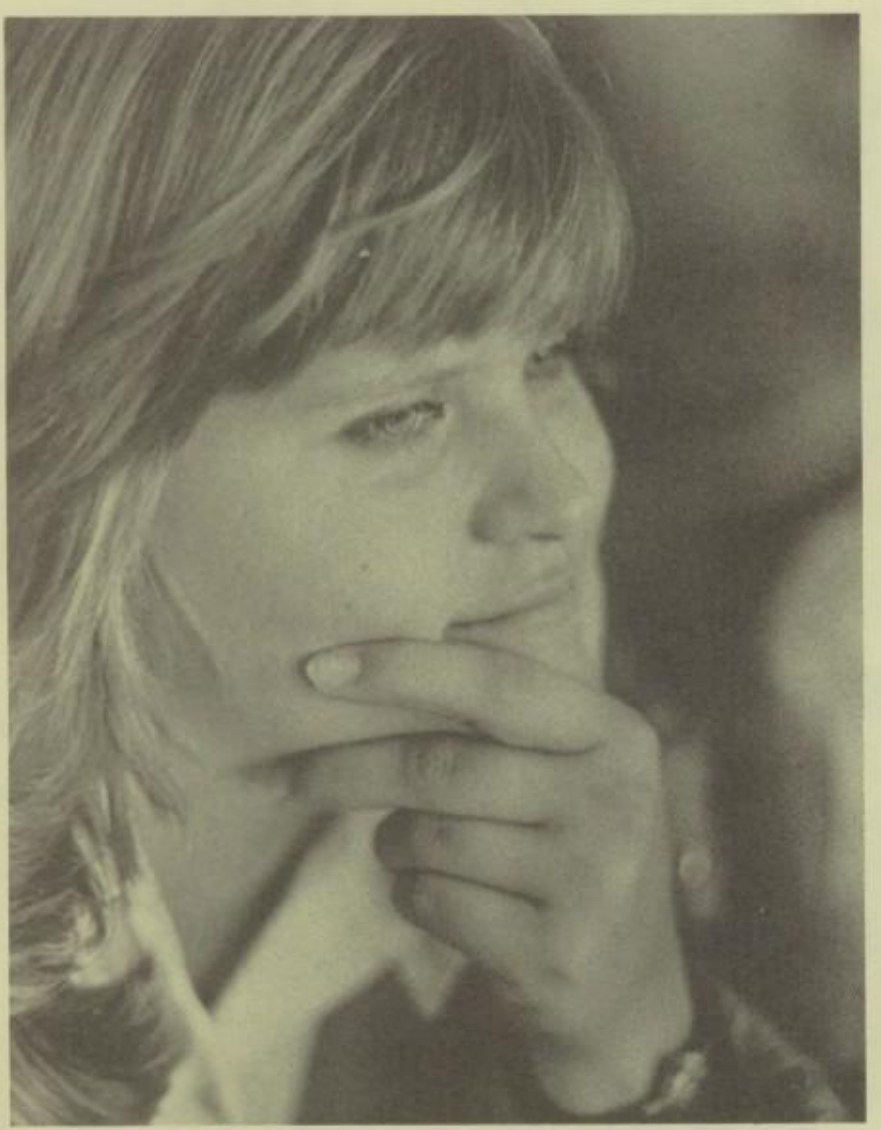




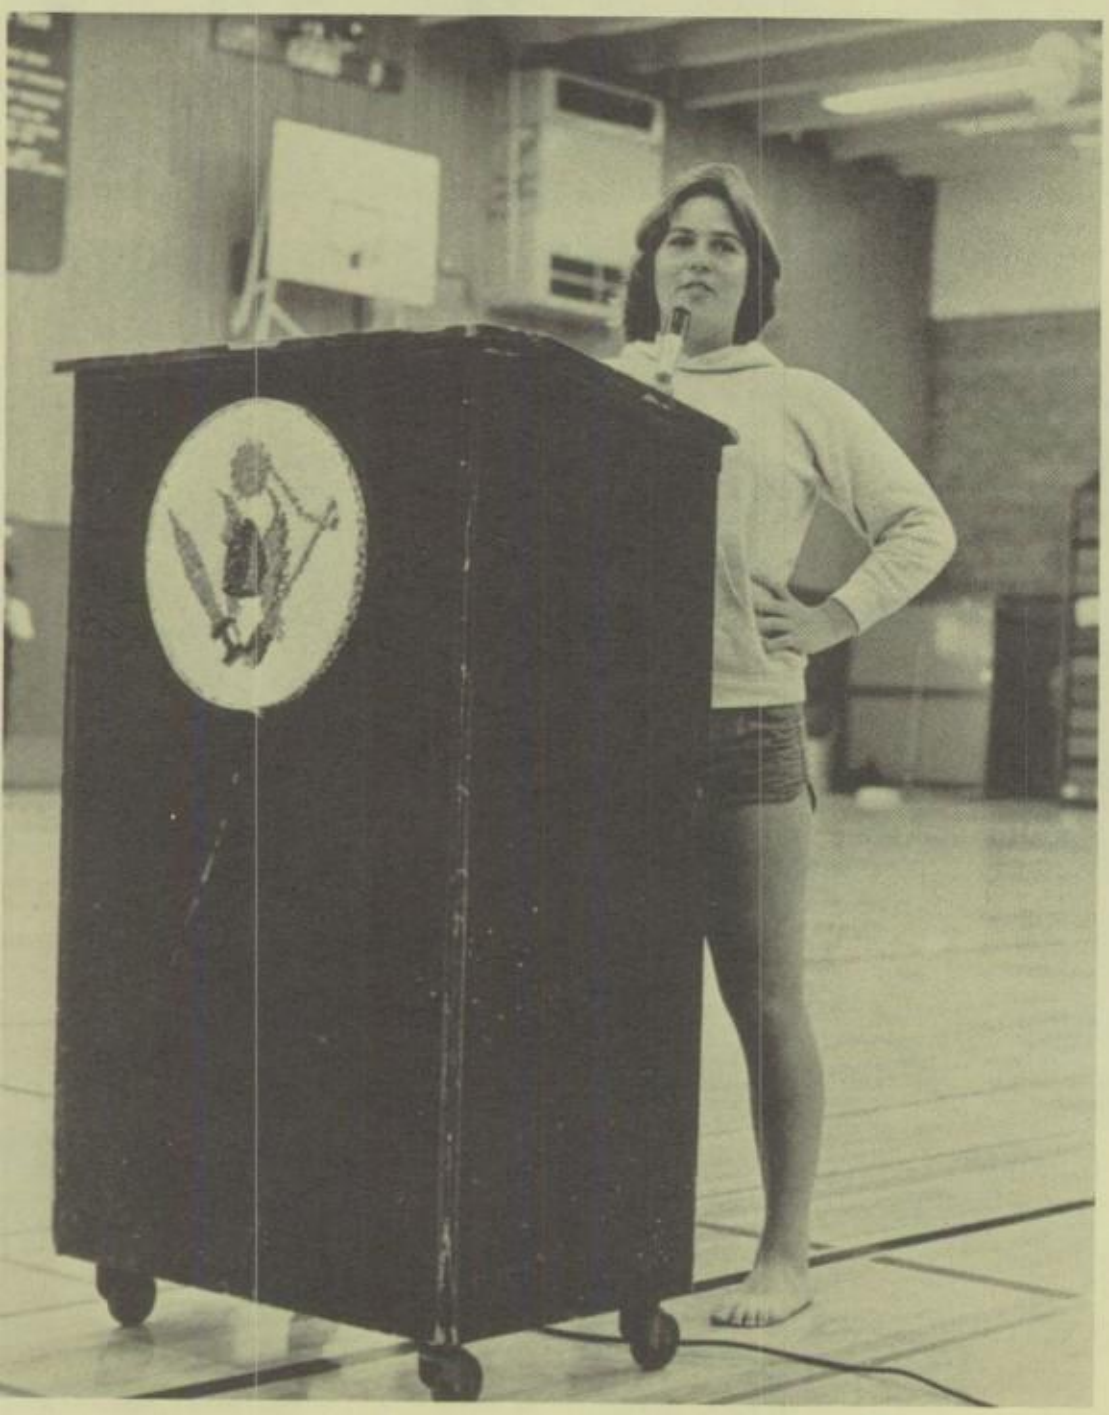


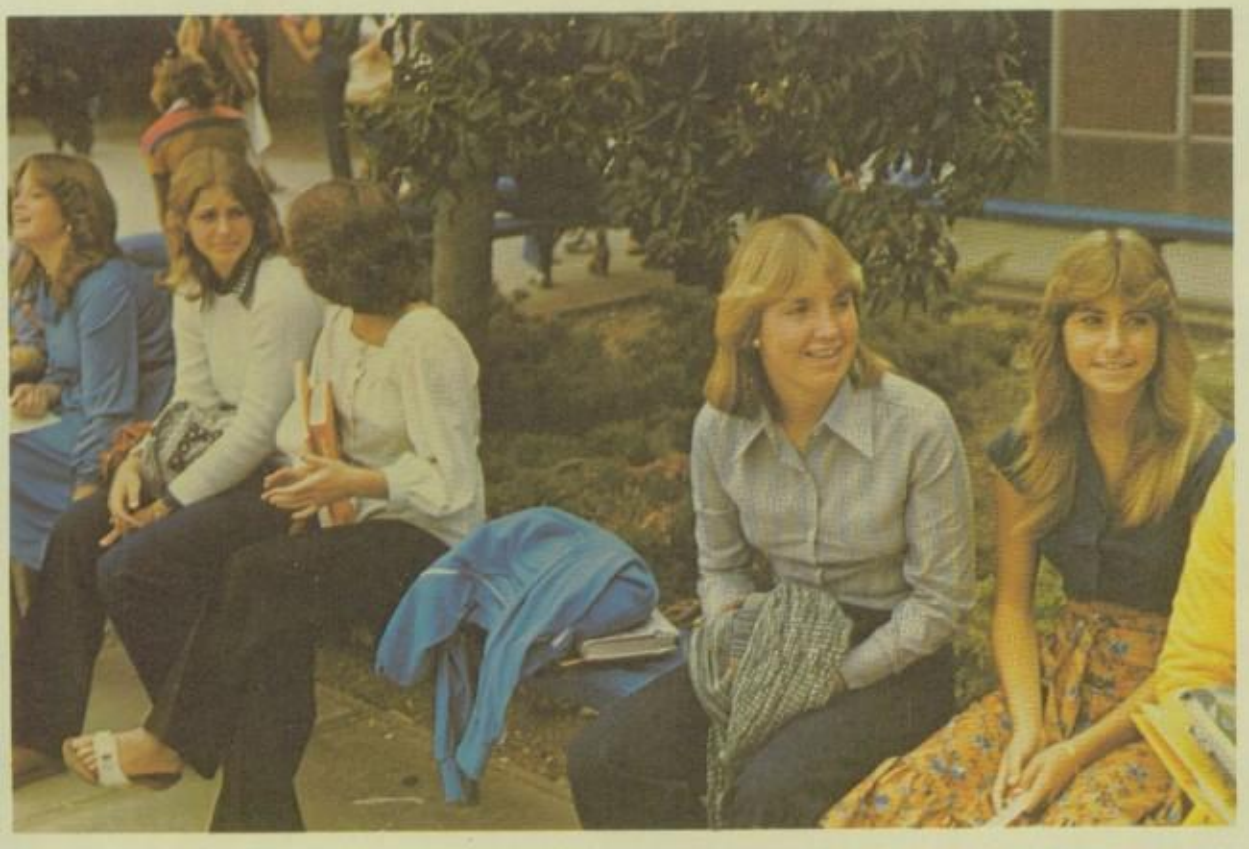


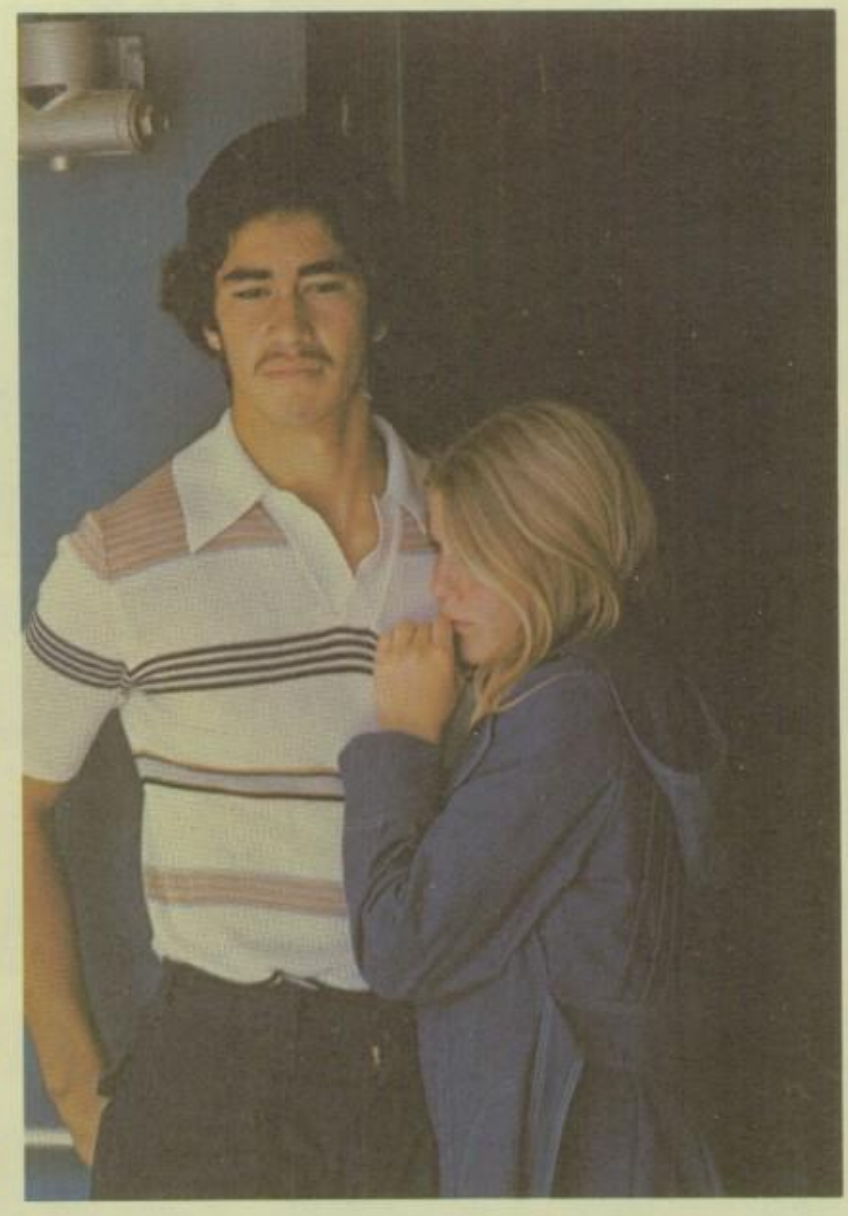
What were once dreams of the future

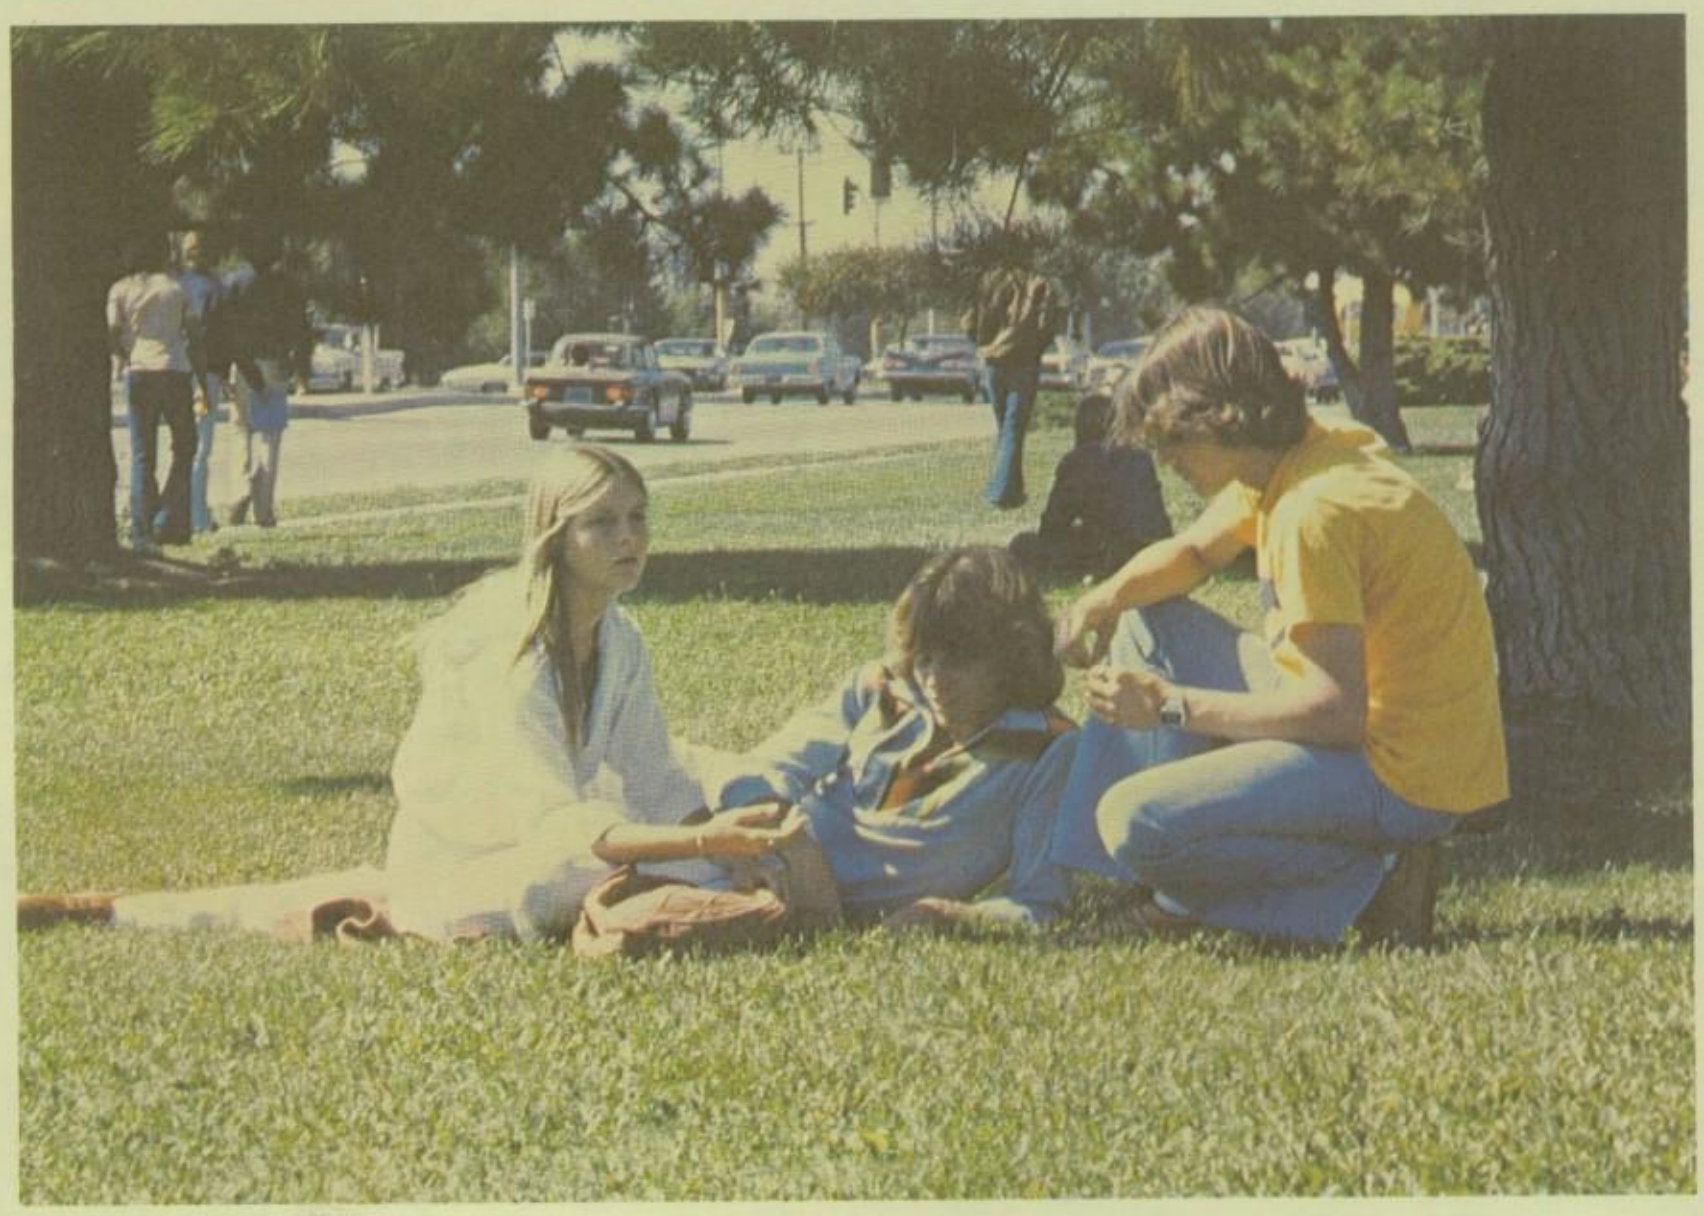


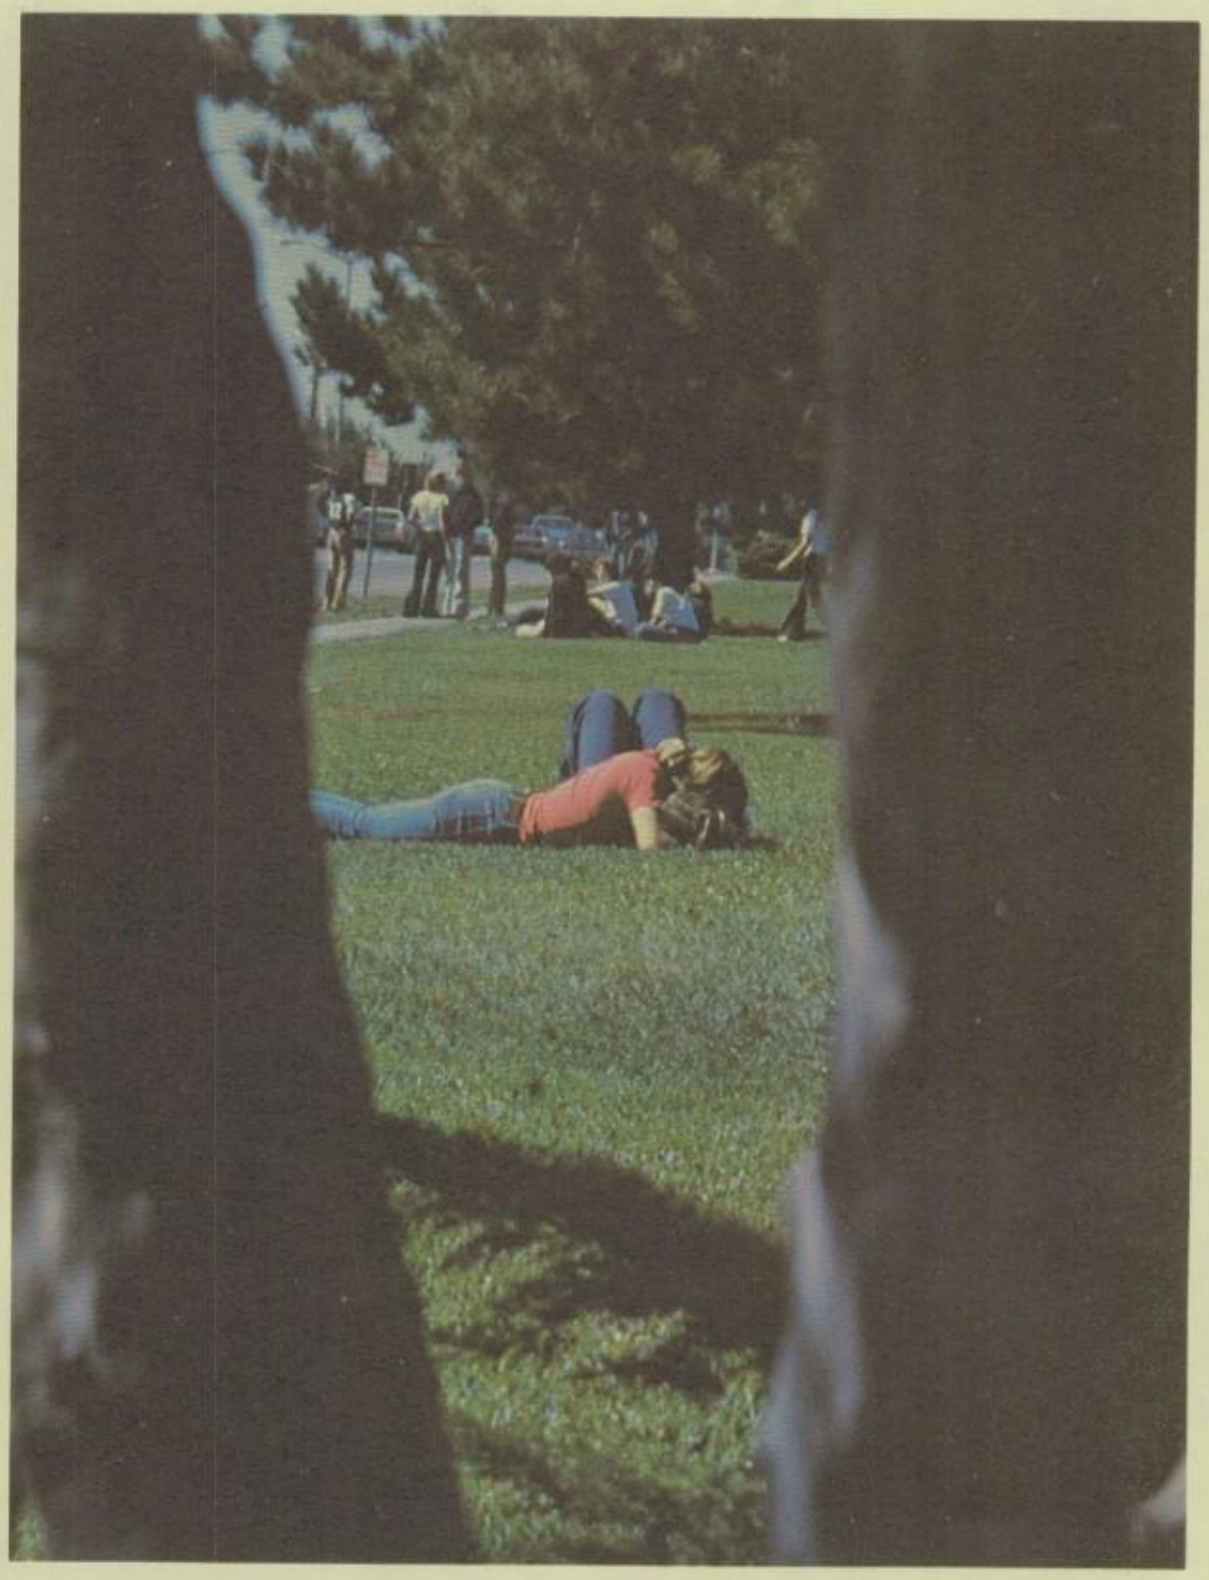
. . . Are now realistic days gone by

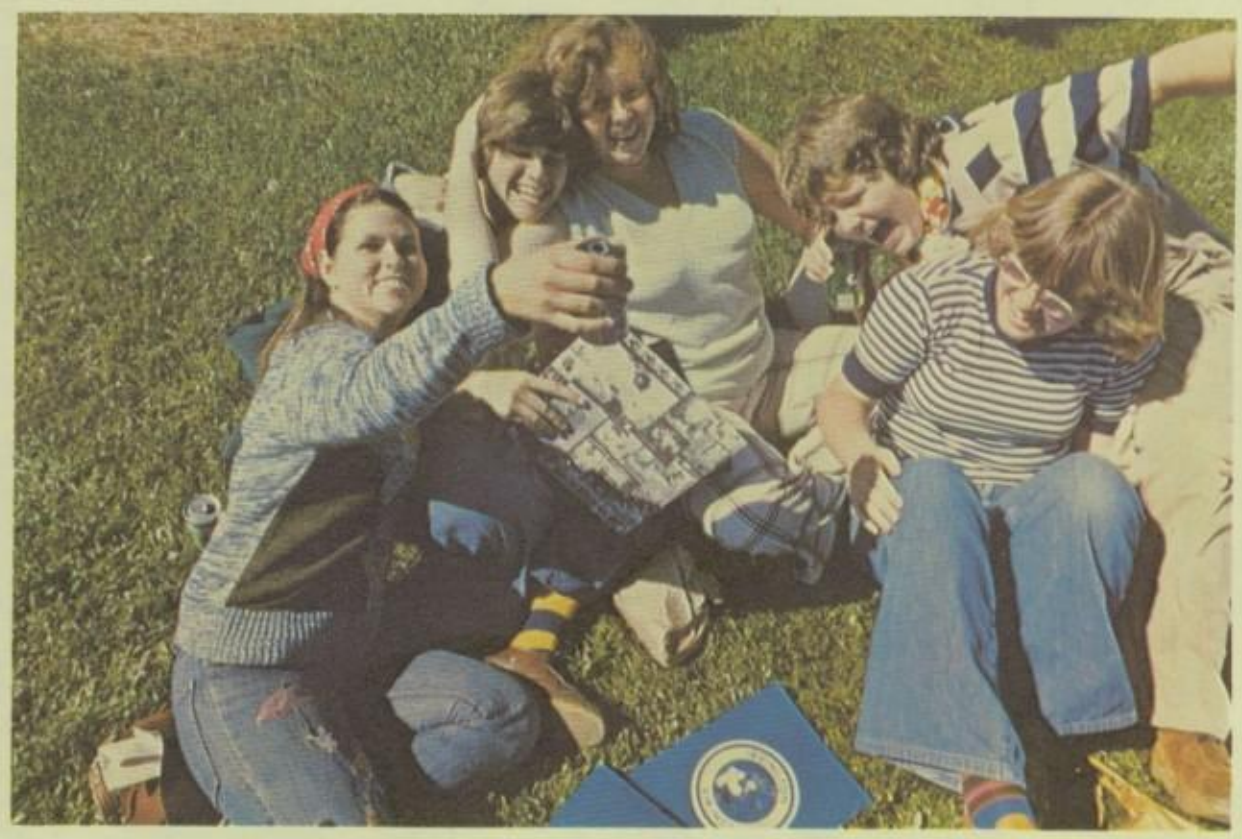




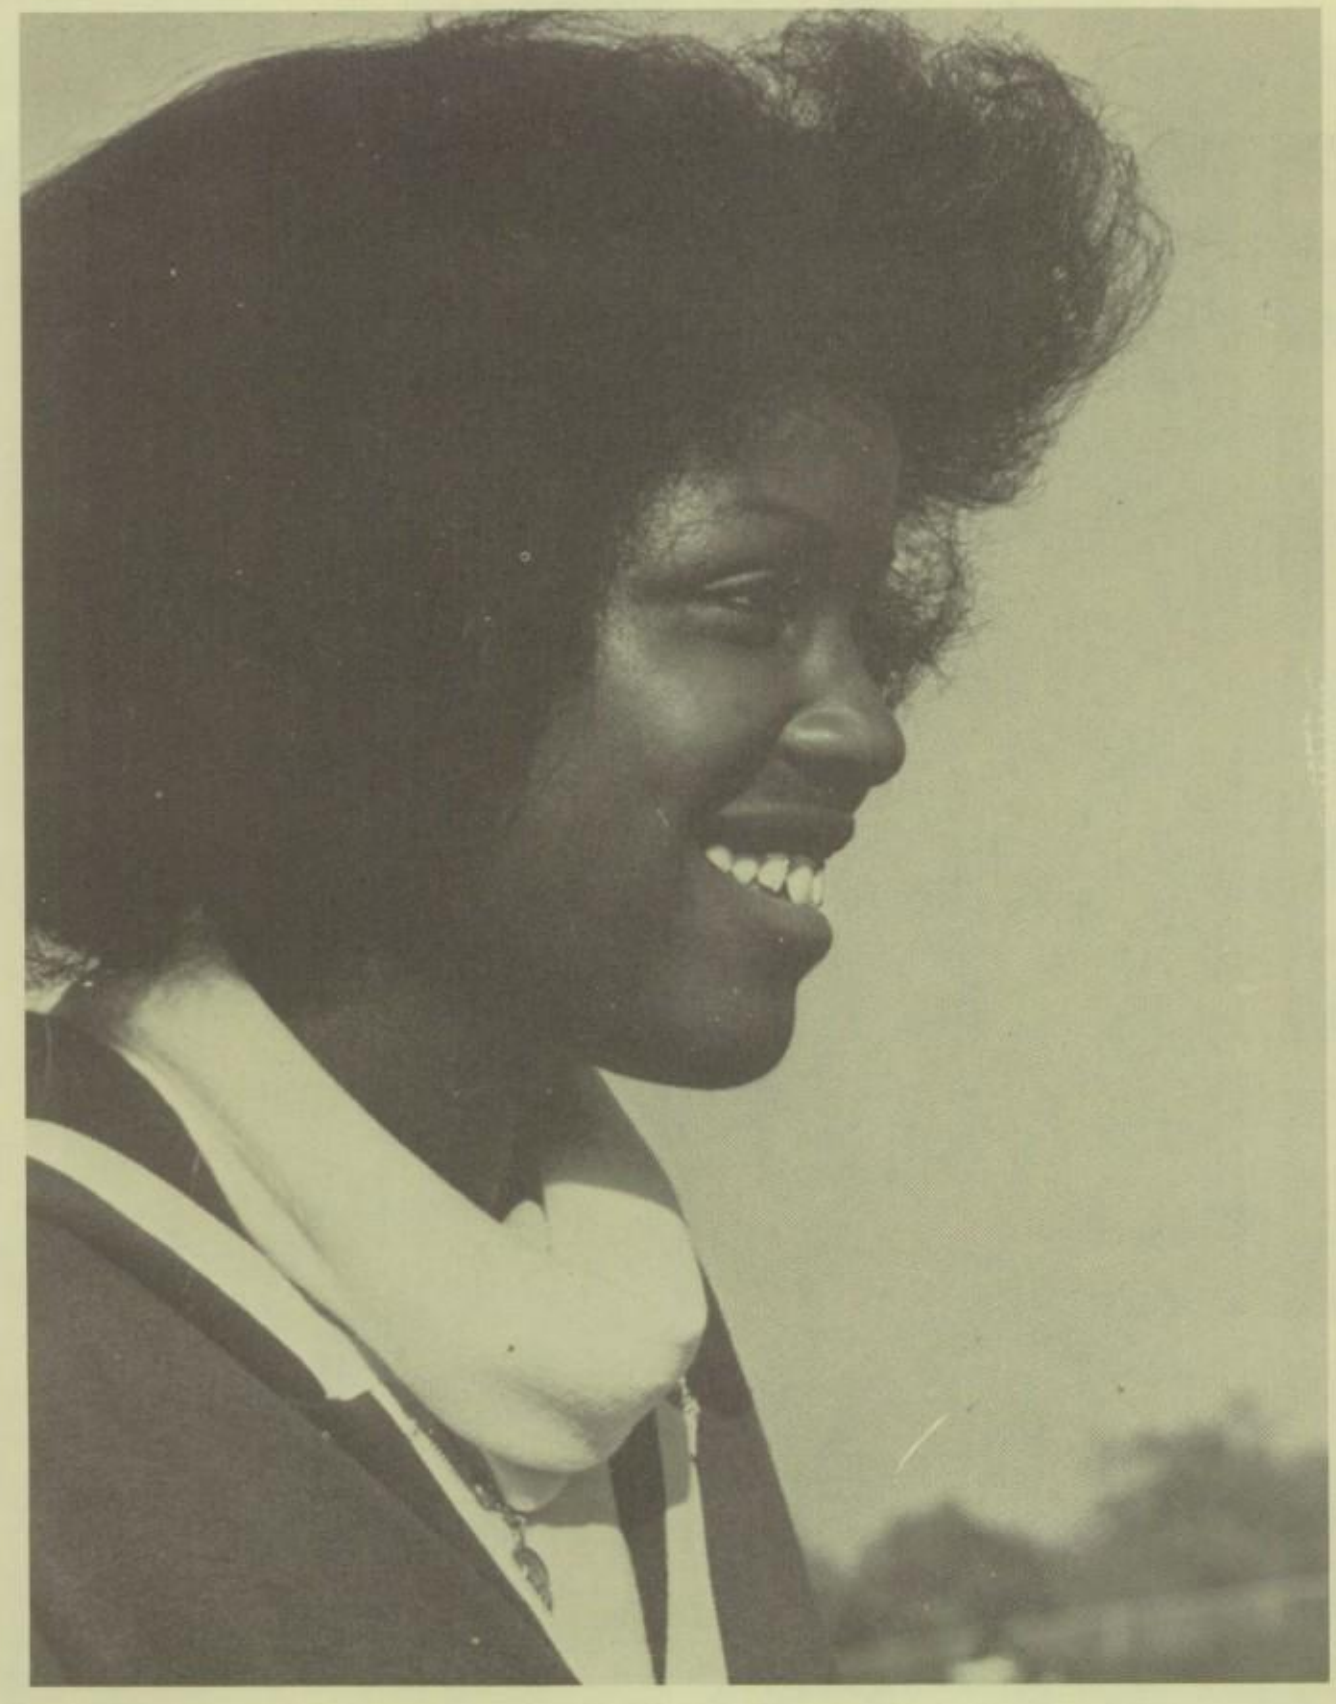


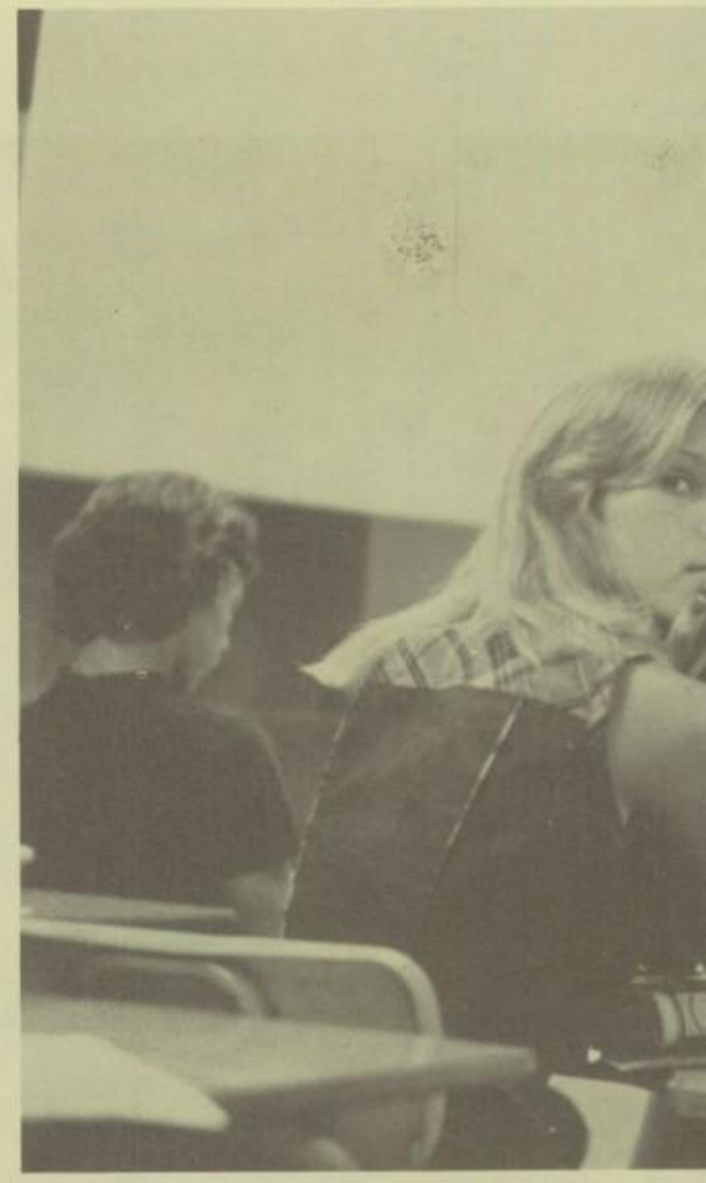


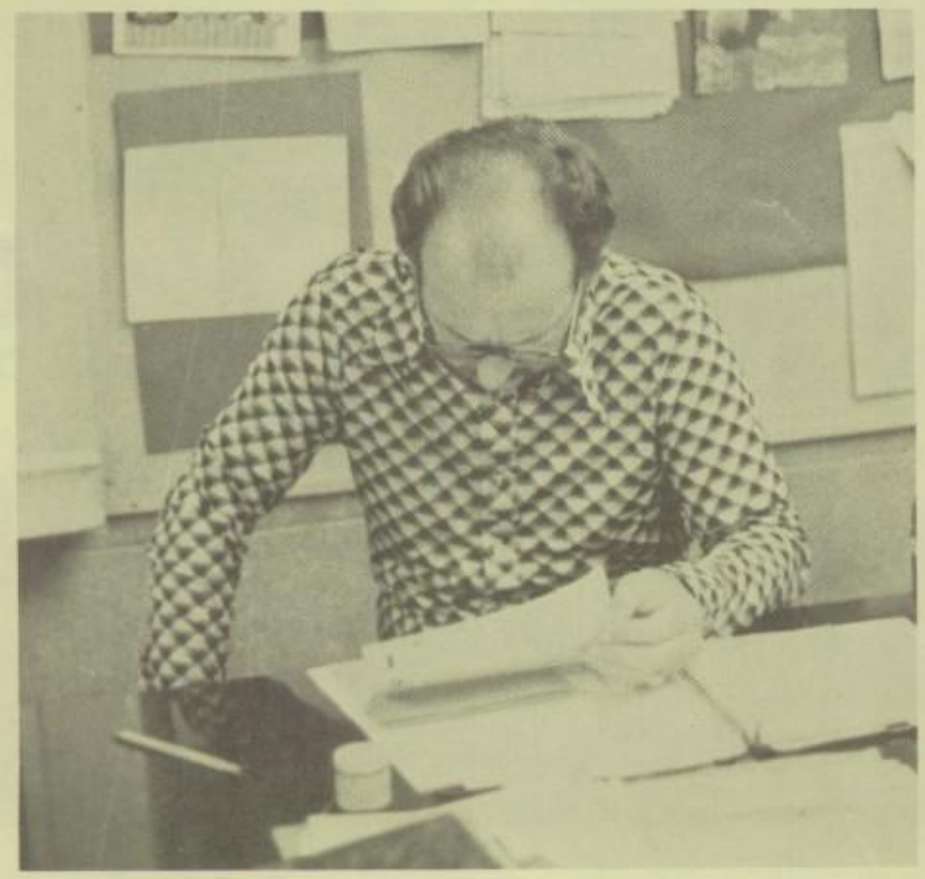




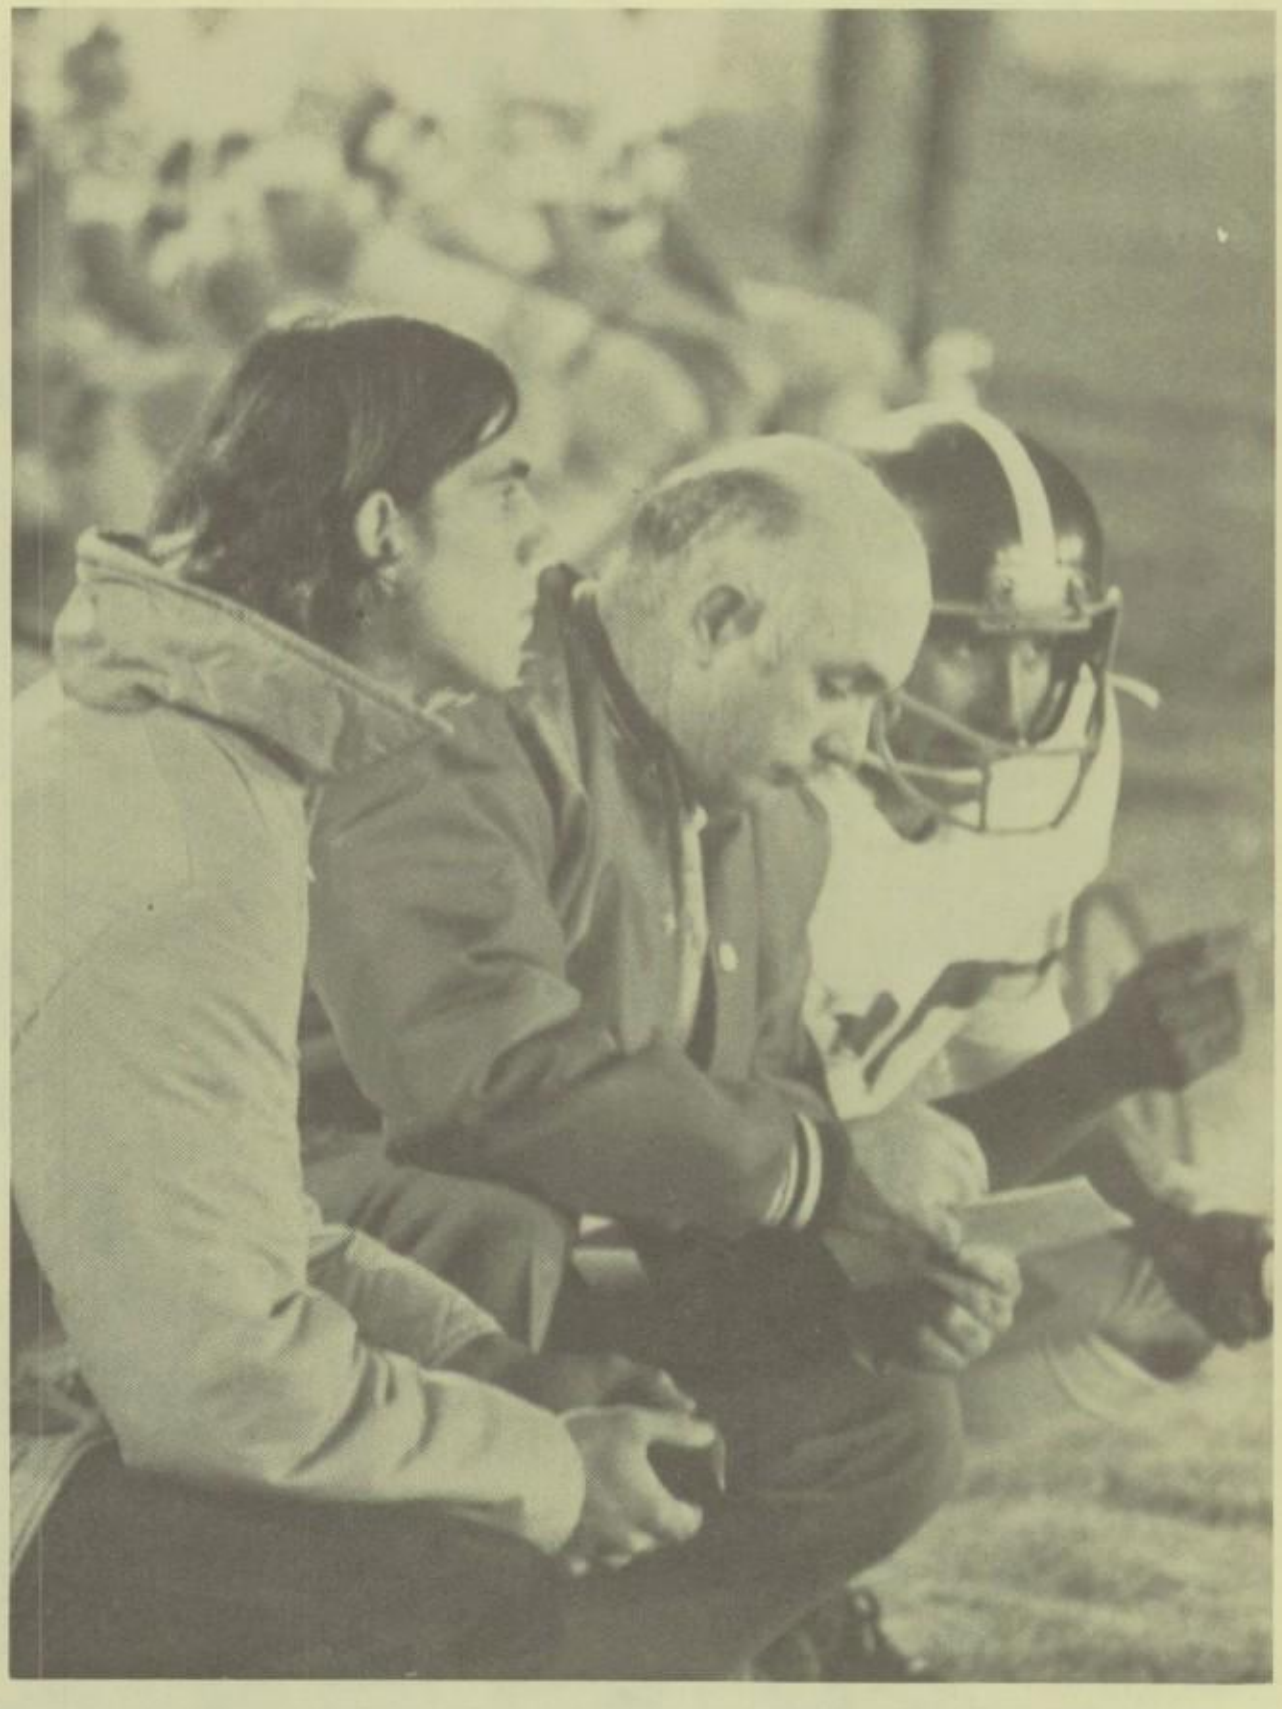
All the friends we'll leave behind

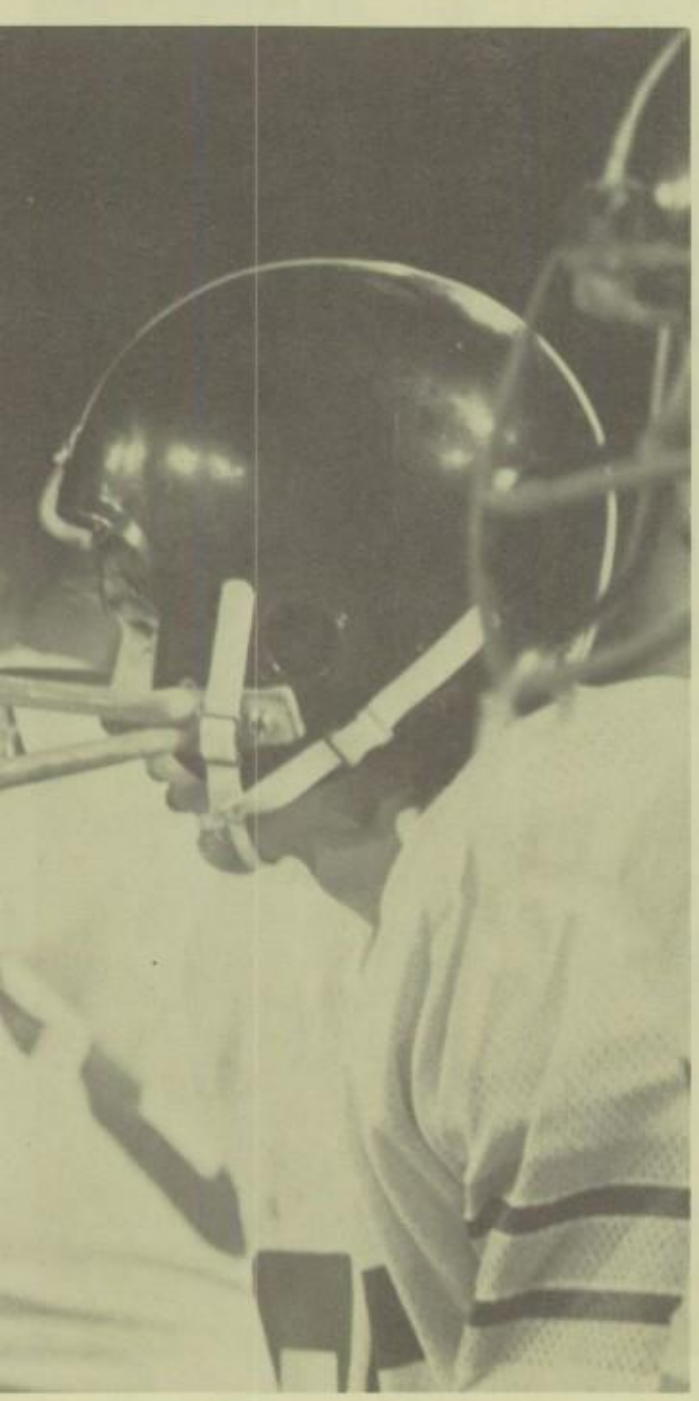


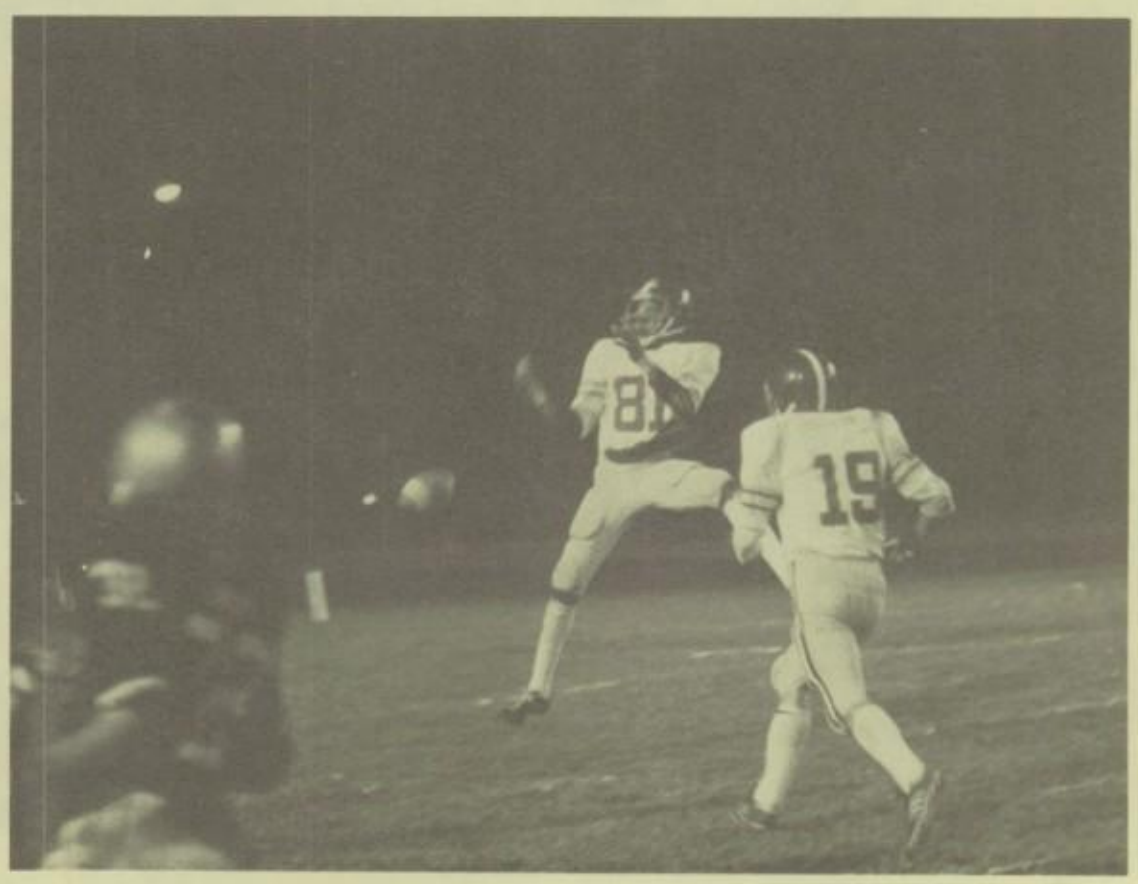




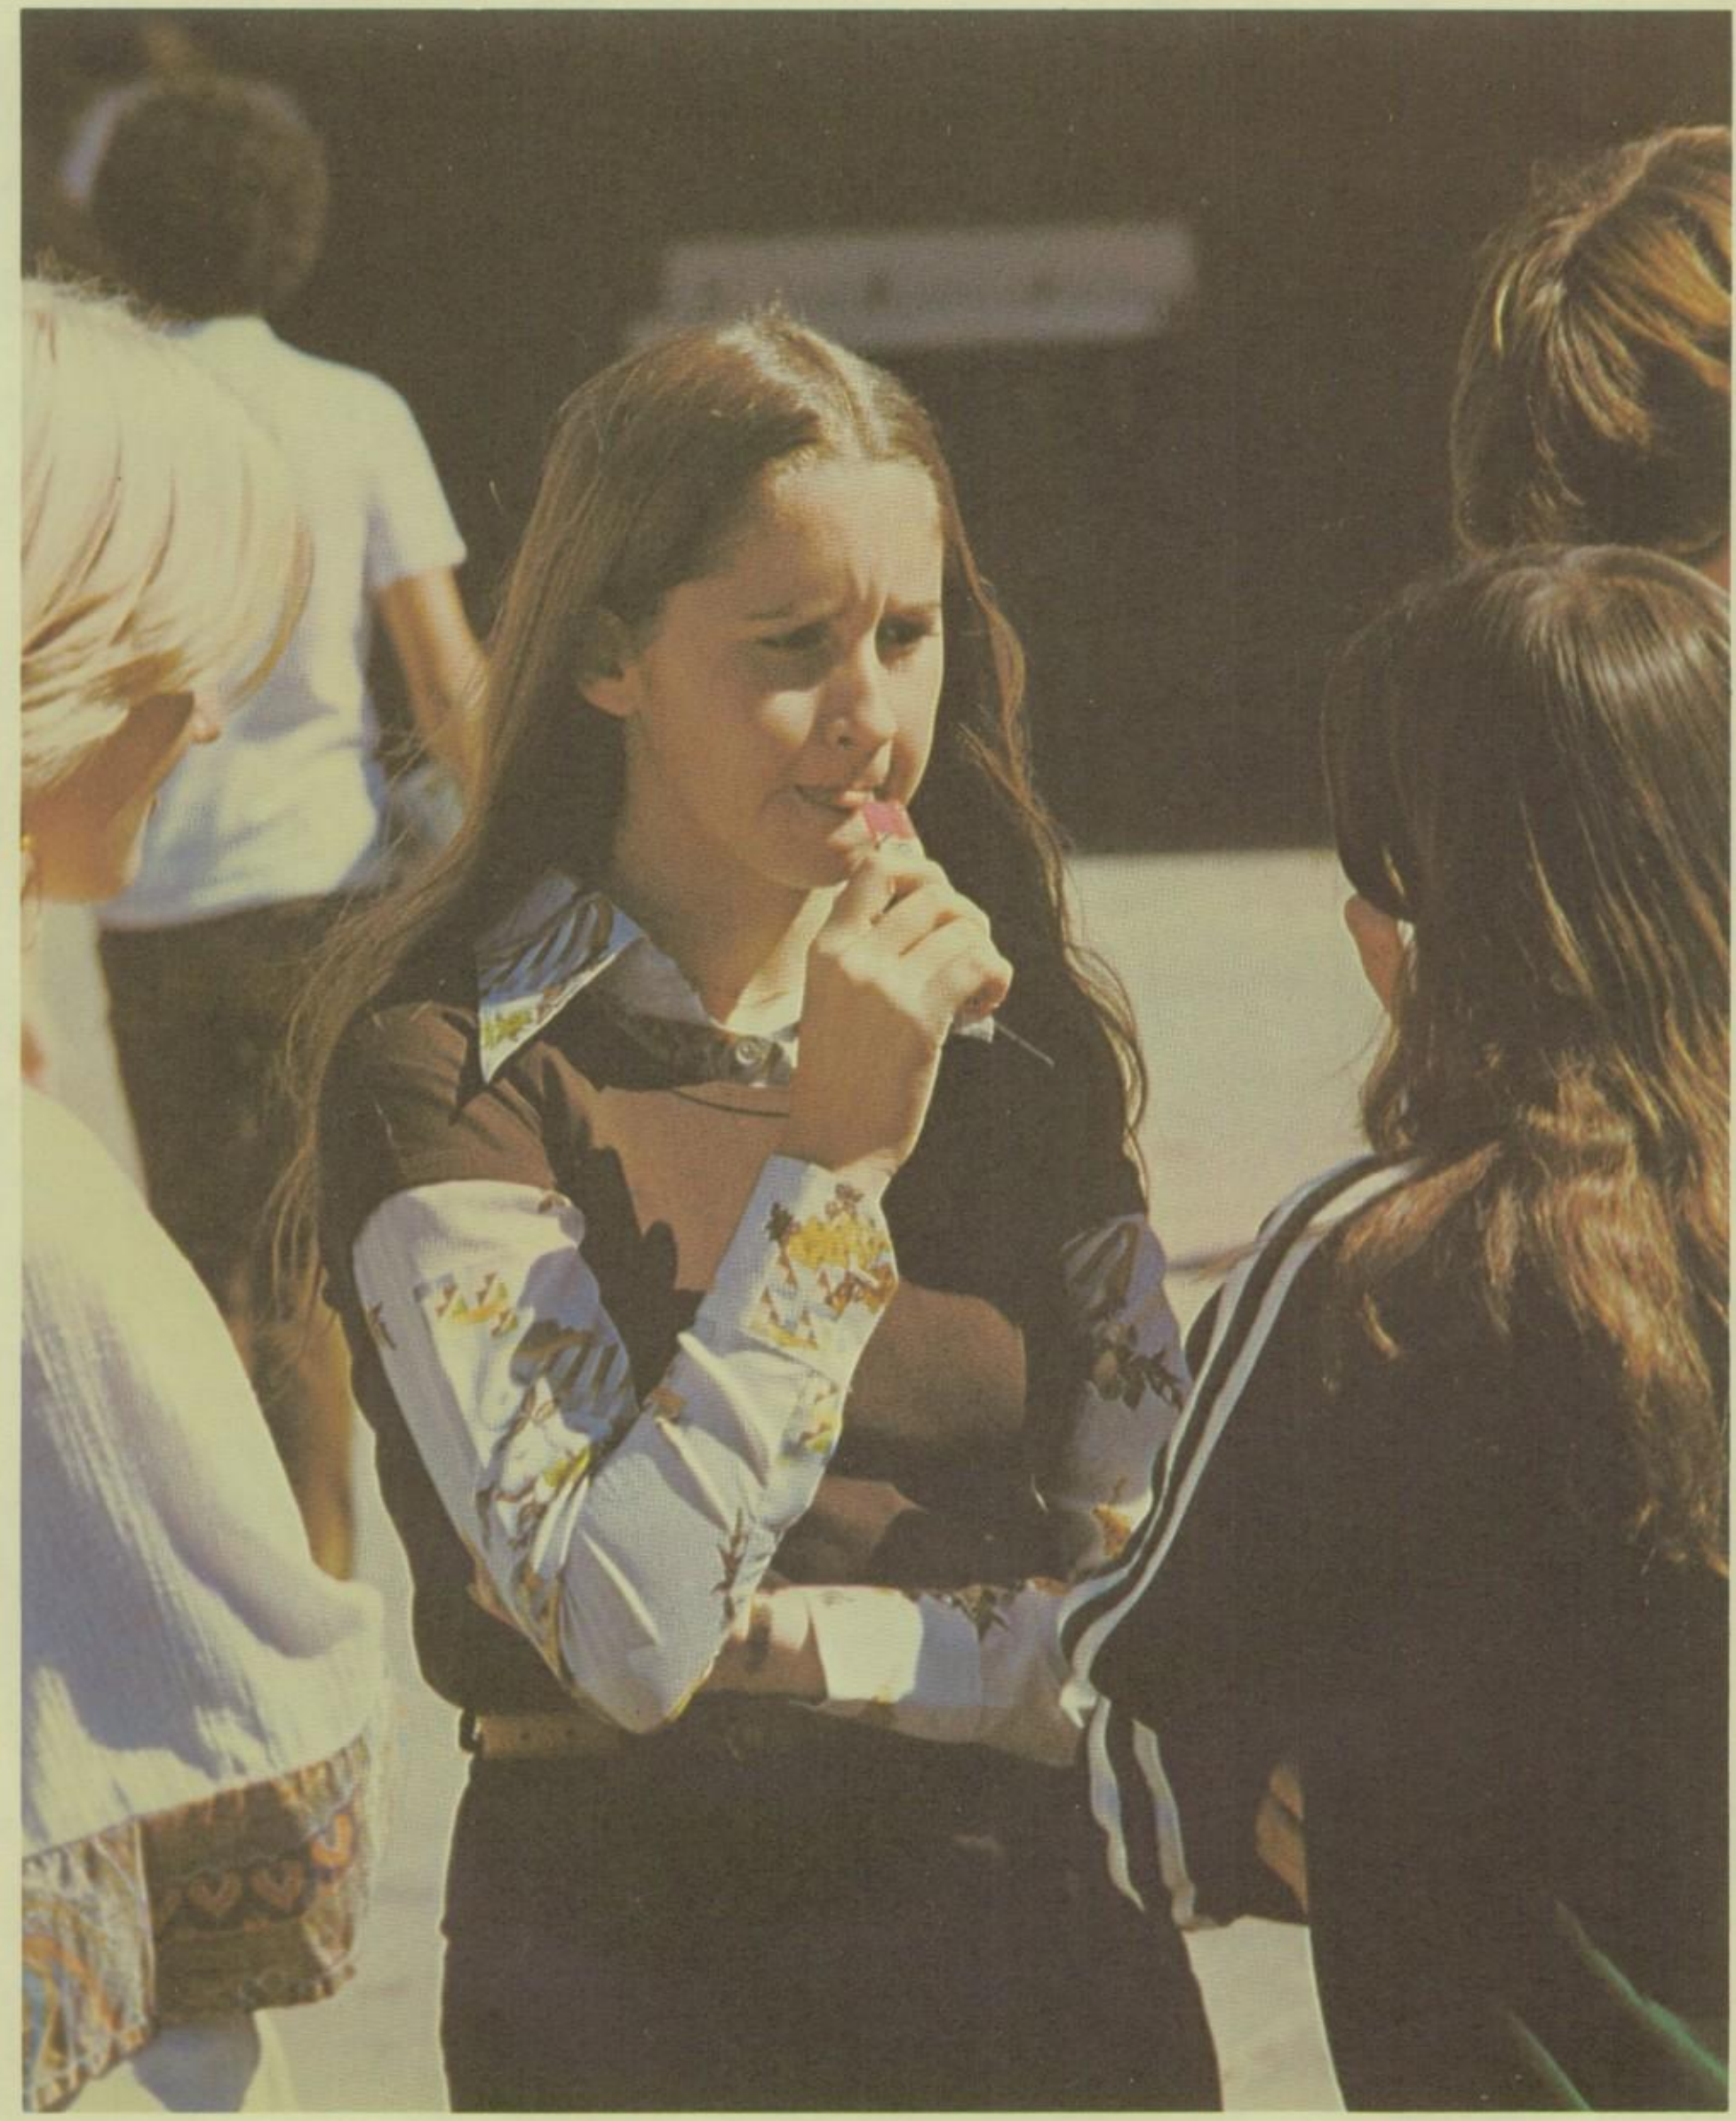
As we go on



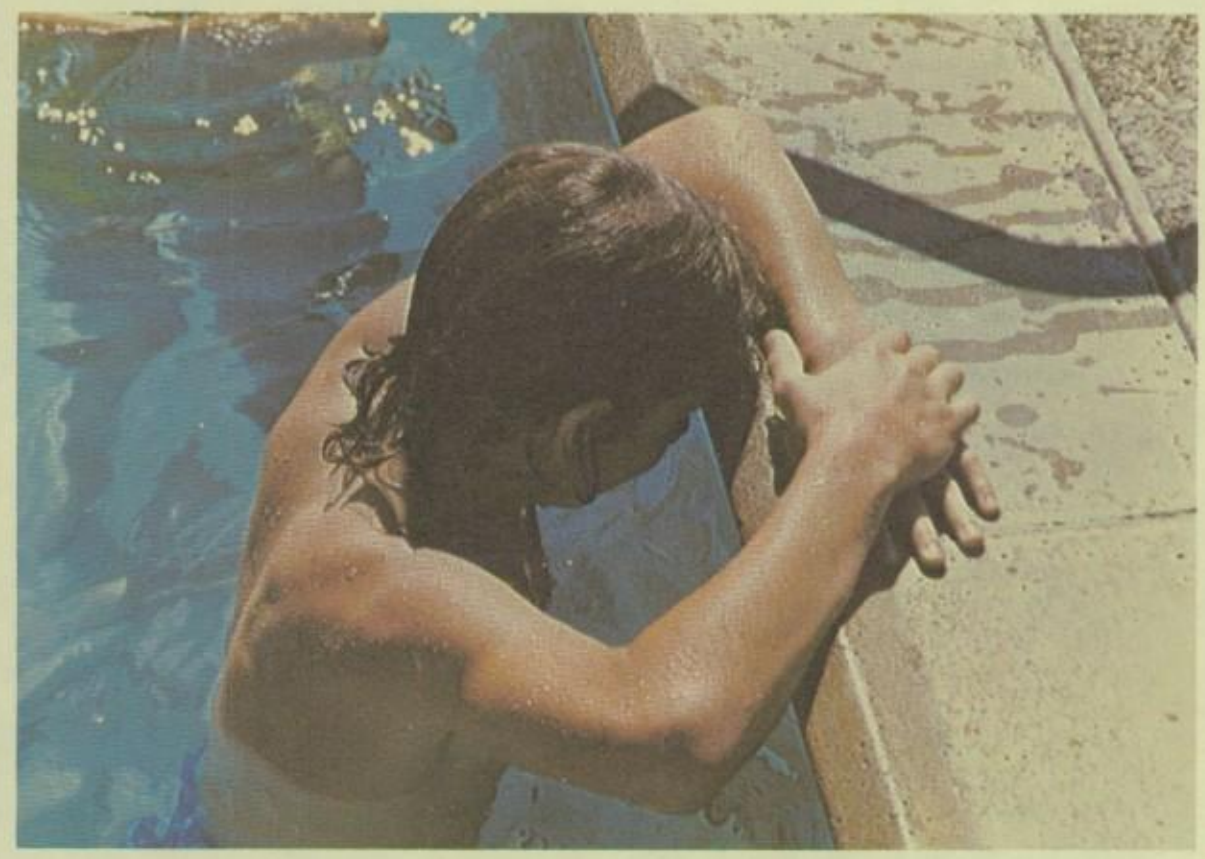




in life searching for things we've yet to find



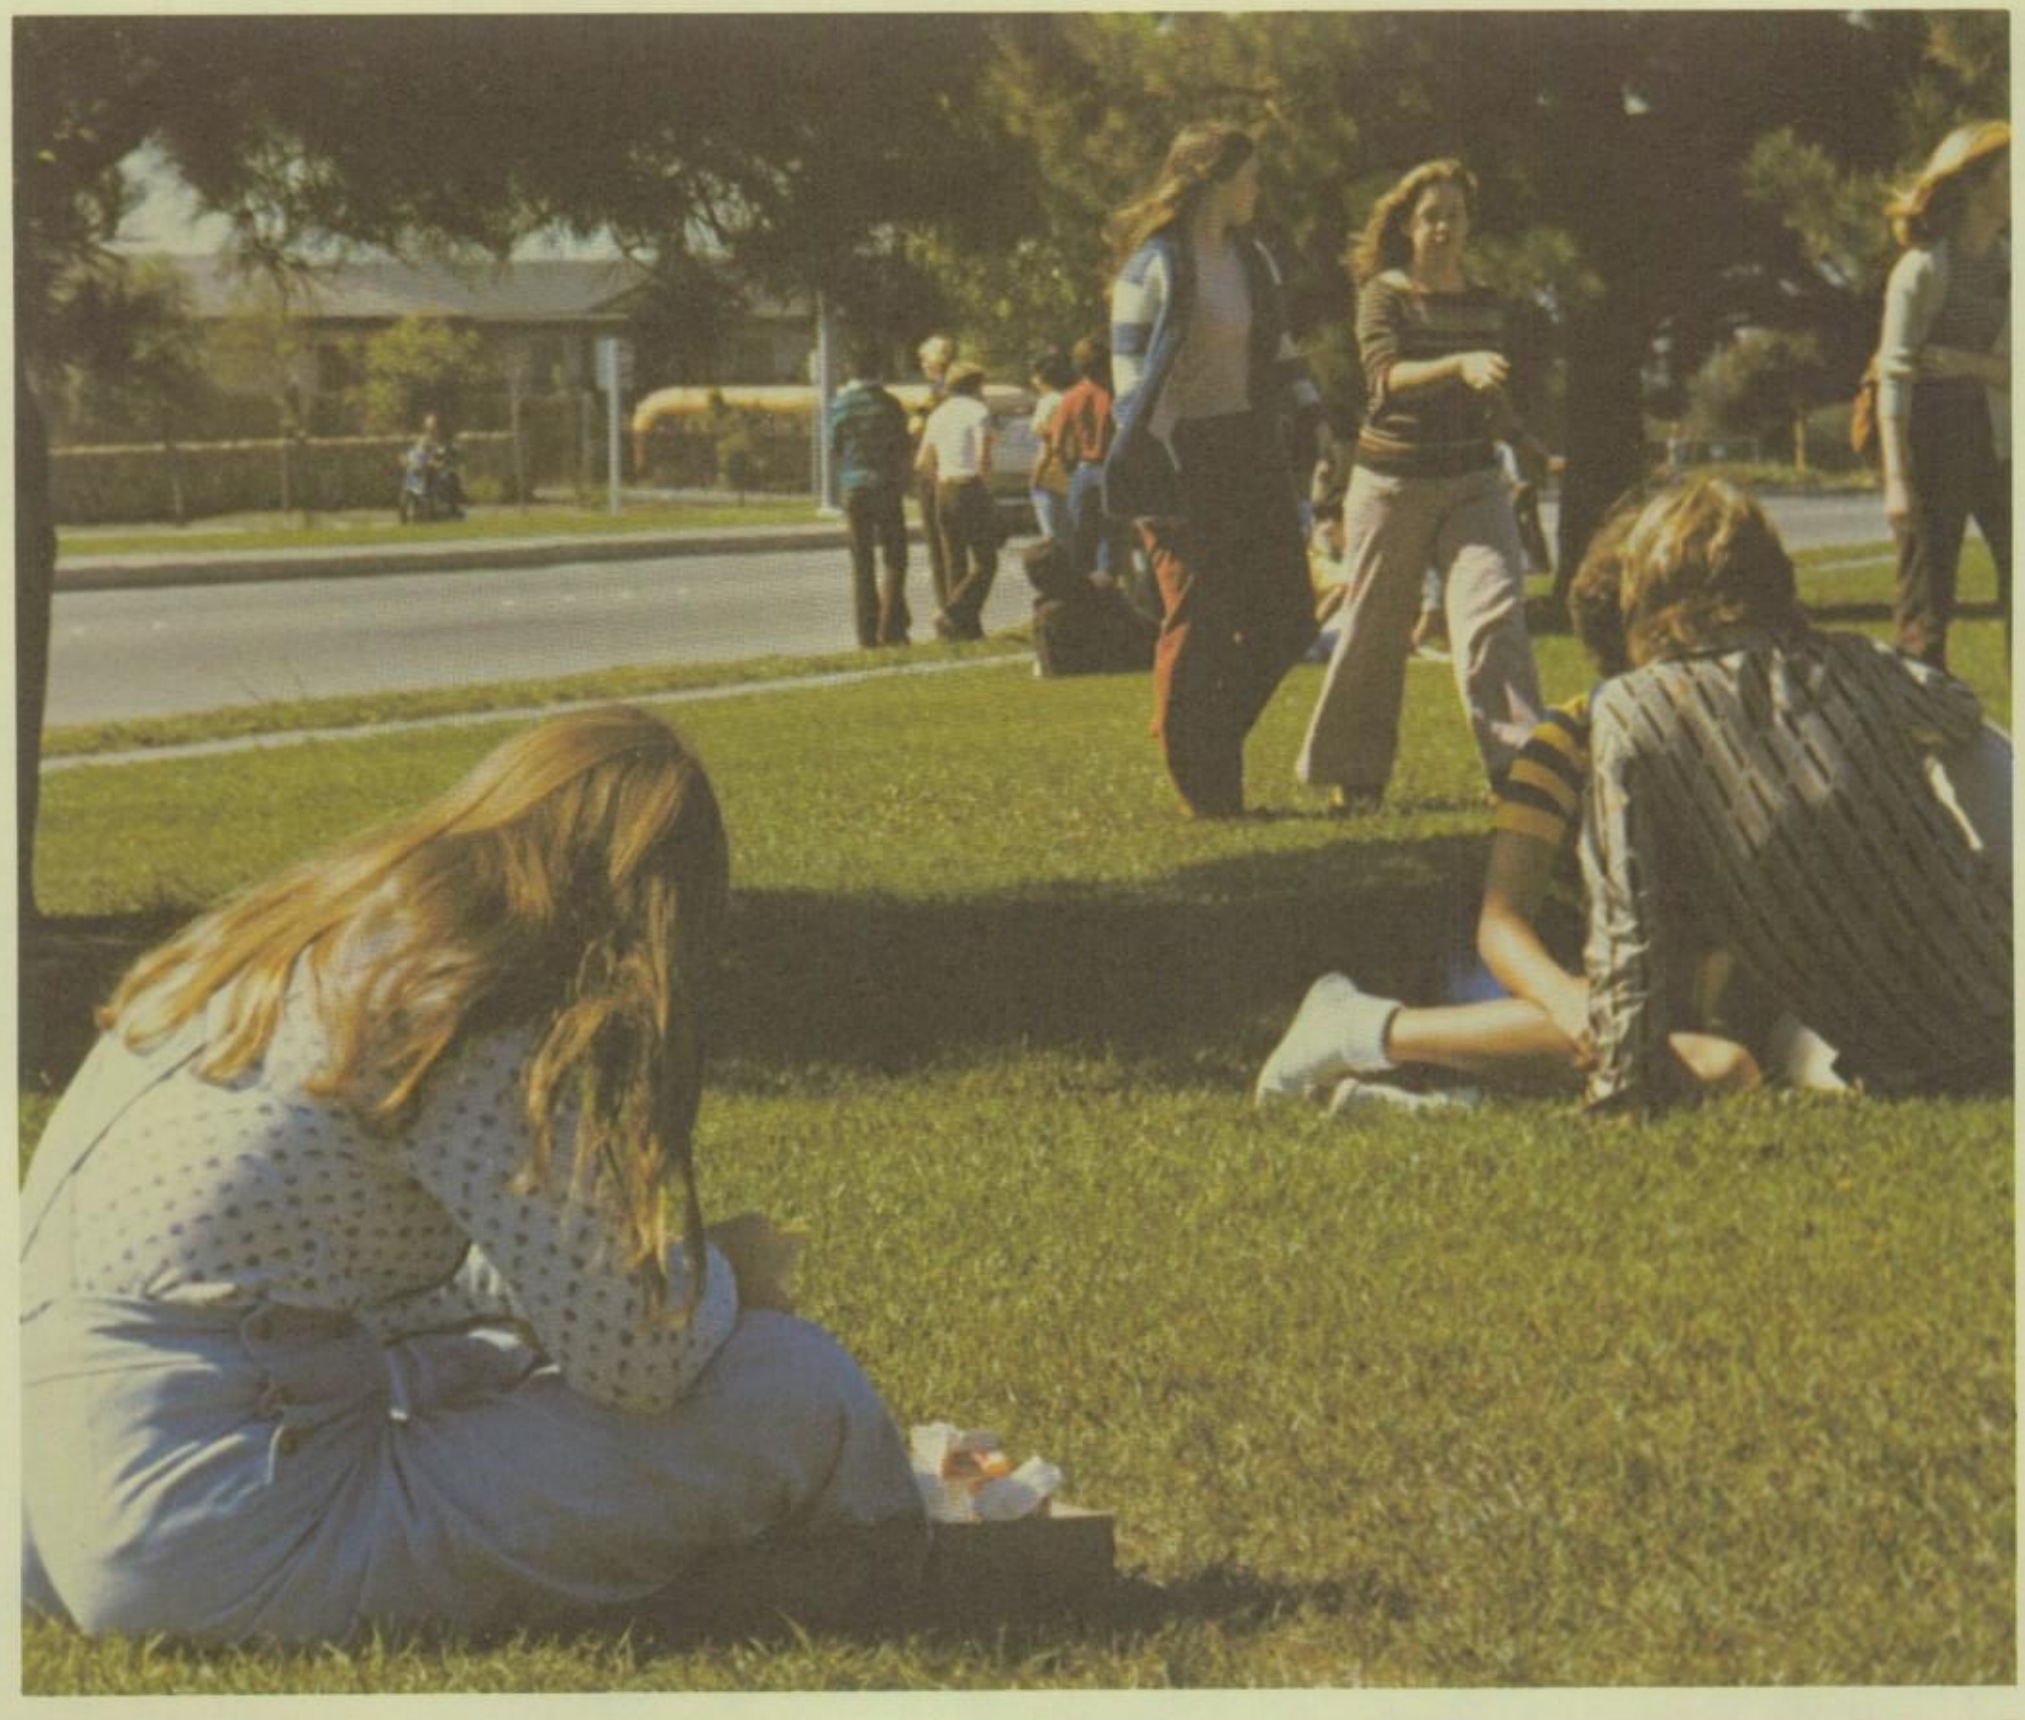
Shadows

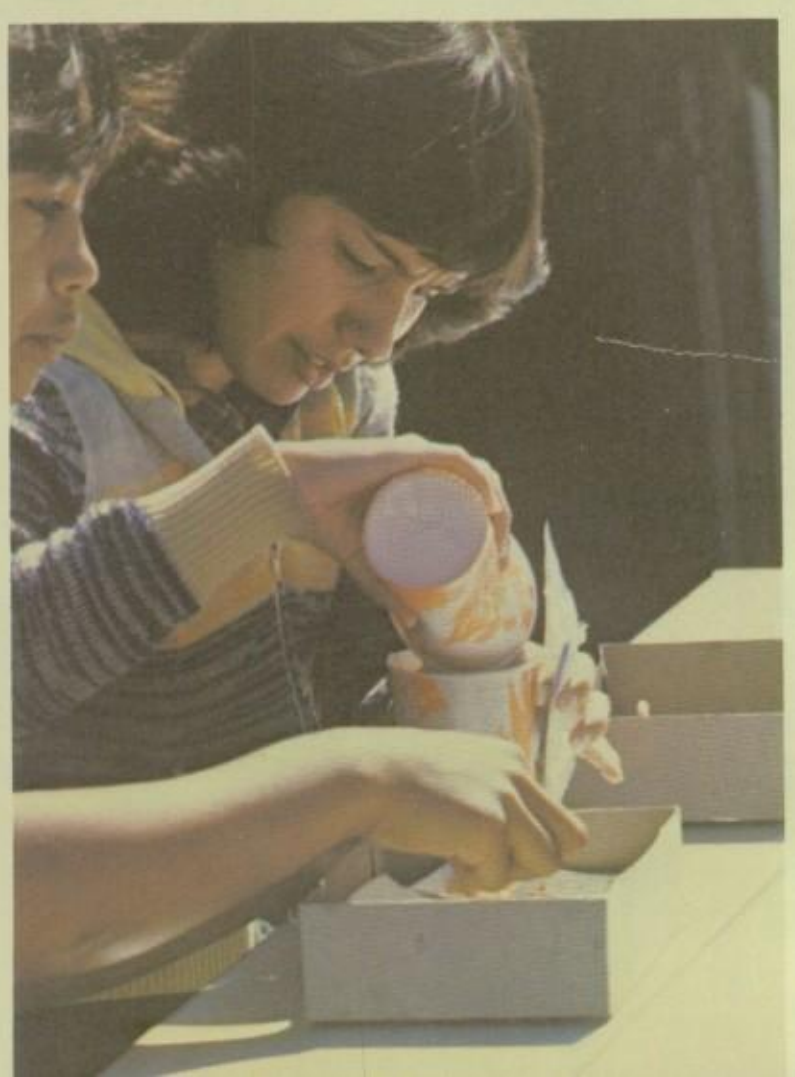


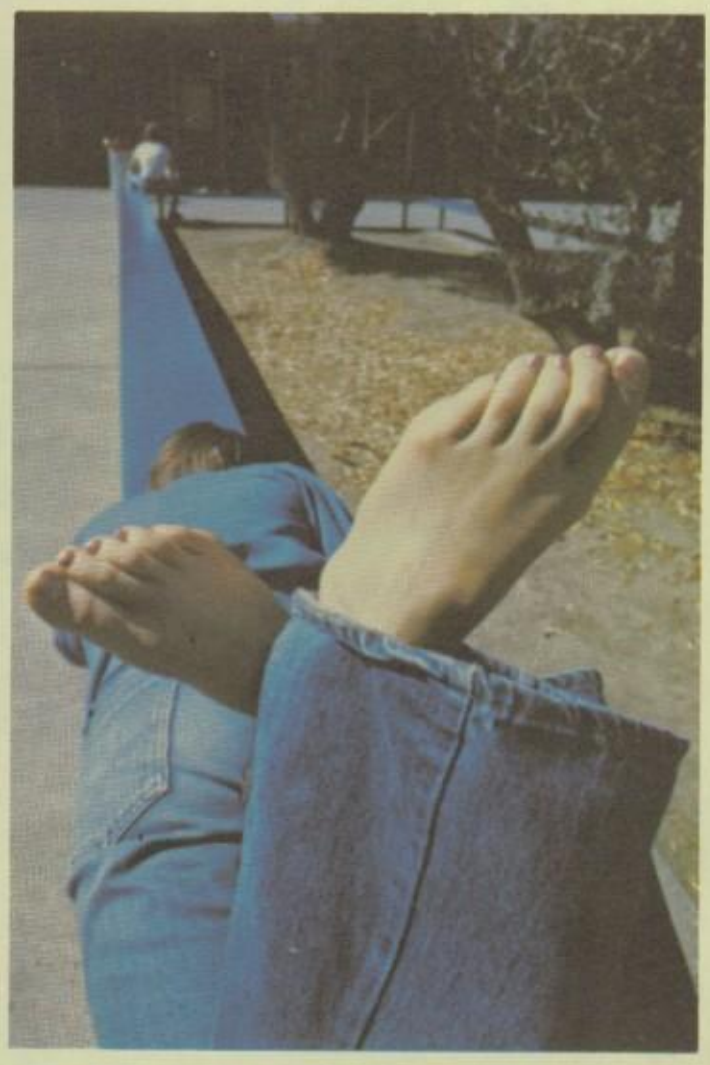
fill our mind with visions of yesterday

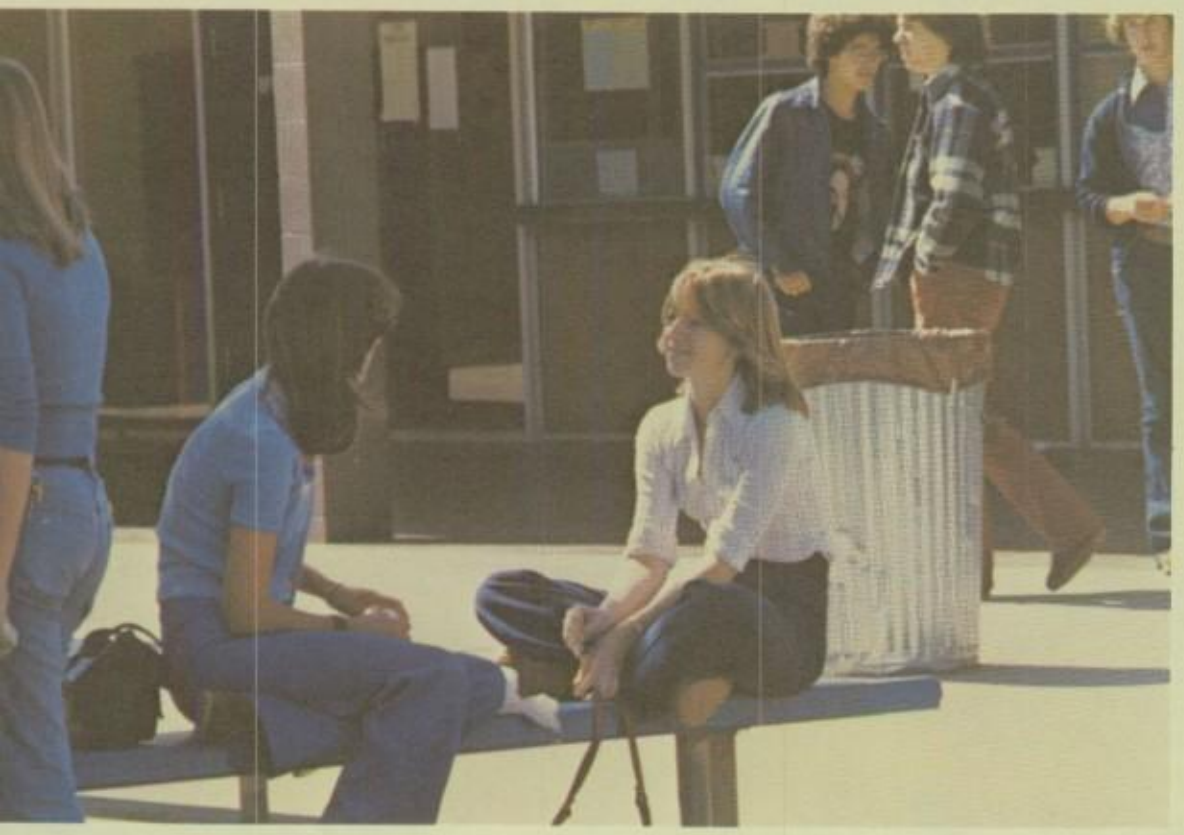
We will try

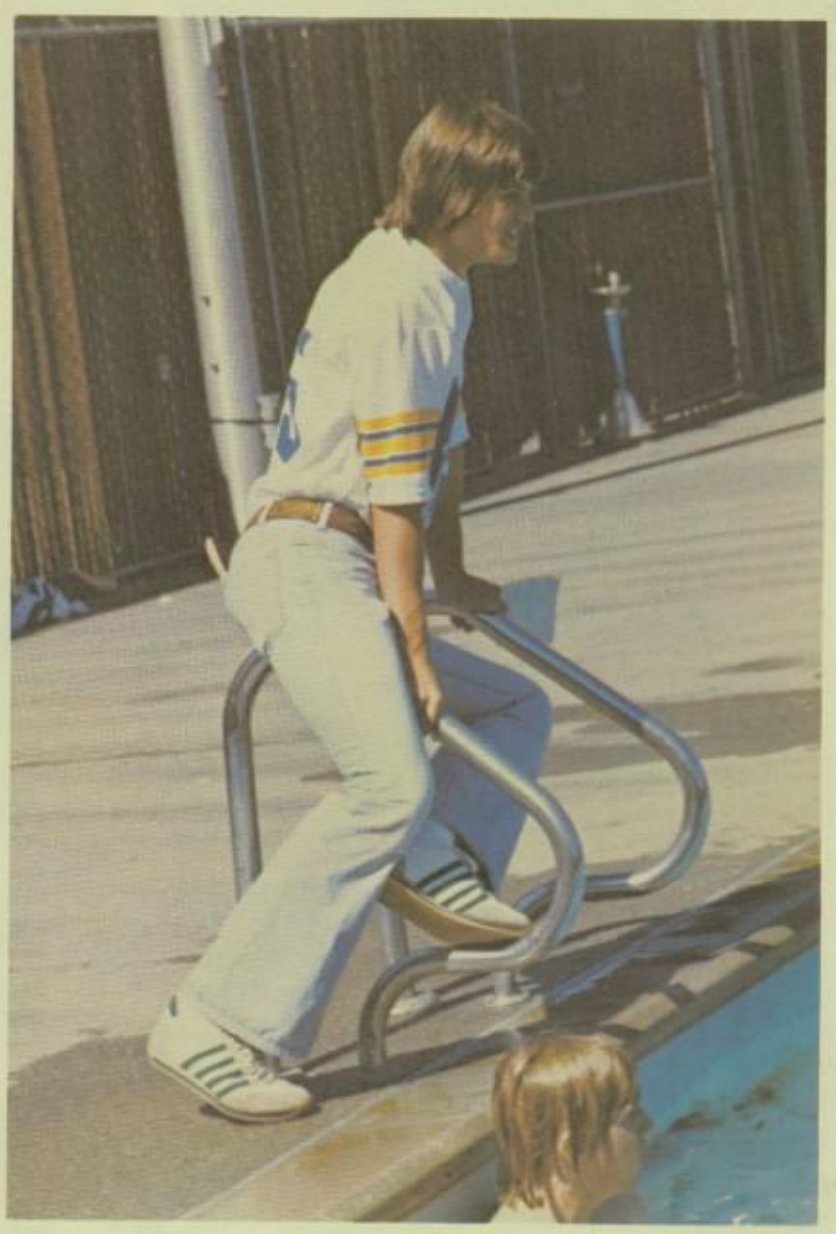
to reach back in time











Just to find the days have all gone away

PERFORMING ARTS

PERFORMING ARTS

SYMPHONIC BAND

The Symphonic band, under the direction of Mr. Wayne Edwards, performed on many different occasions.

Early in October, the combination Marching Band-Symphonic Band performed and marched in the Pathfinder's Parade: for this performance they were awarded second place.

Just prior to Christmas vacation, they performed their annual Winter Concert.

The graduation music was also performed by the Symphonic band.

A new feature this year, spotlight's a select group of students to perform more challenging music with the "Wind Ensemble".

They performed their annual Christmas show; as well as a Winter Concert and a Spring Concert. The highlight of the year, for the Stage band, was this year's musical, "Guys and Dolls" for which the band gave a highly praised performance.

Larry Jones, the student director, and Gary Rogers, the Assistant Student Director, were chosen by the band students to help Mr. Edwards.

Their merits included a second place in the Veterans' Day Parade and superior ribbons in field routines during their stay at a rifle camp last summer in Santa Barbara.

The young men in the group sang a song together with a little help from Gail Thames. What a treat for any young girl.

ONE ACT PLAYS

Oh shut up.

Squeeeeeze.

All in a days work.

Not this story again.

One Act Plays were performed this year to raise money for various activities carried out by the Drama Dept. Valhalla was packed with people anxiously waiting for the presentation of the six stories. The skits were as follows: "Impromptu" performed by Debbie Bitz, Tracy Chapman, Les Hackey, and Dan Touris. The plot was one of four actors finding themselves. "Game of Chess" performed by Kyle Dawson and Neil Burkhart. The plot was about a King outsmarting his assassin. "The Stronger" performed by Karen Goff. The plot was of a woman confronting her husband's mistress about their affair. "Let there be Farce" performed by Debbie Loja and Mary Beedle. The moral of this story was "Do unto others before they do unto you." "Suppressed Desires" performed by Robert Sahatjian, Laura Marron and Diane Rockett. This was about how your suppressed desires should sometimes stay suppressed! "Sundays Cost Five Pesos" performed by Cheryl Kratochivil, Dan Wishnoff, Peggy White, Cathy Lenhart and Tammy Jensen. The story was one of girl meets boy, girl loses boy, girl gets boy back in a Mexican village.

Aren't I sweet?!

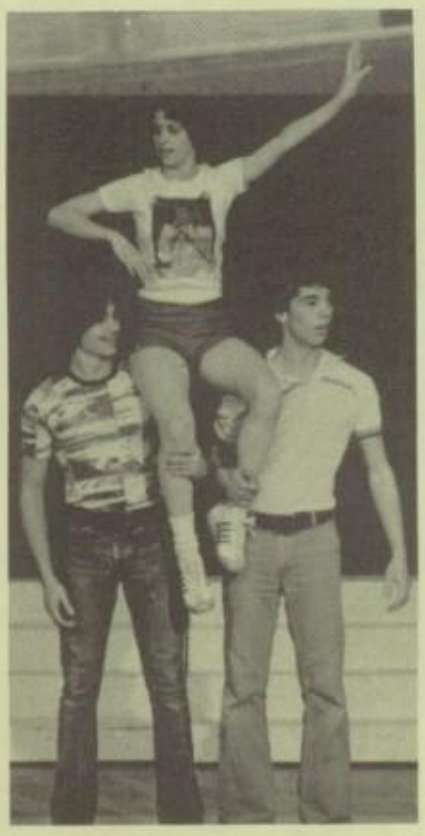
48 D ? This couldn't be mine.

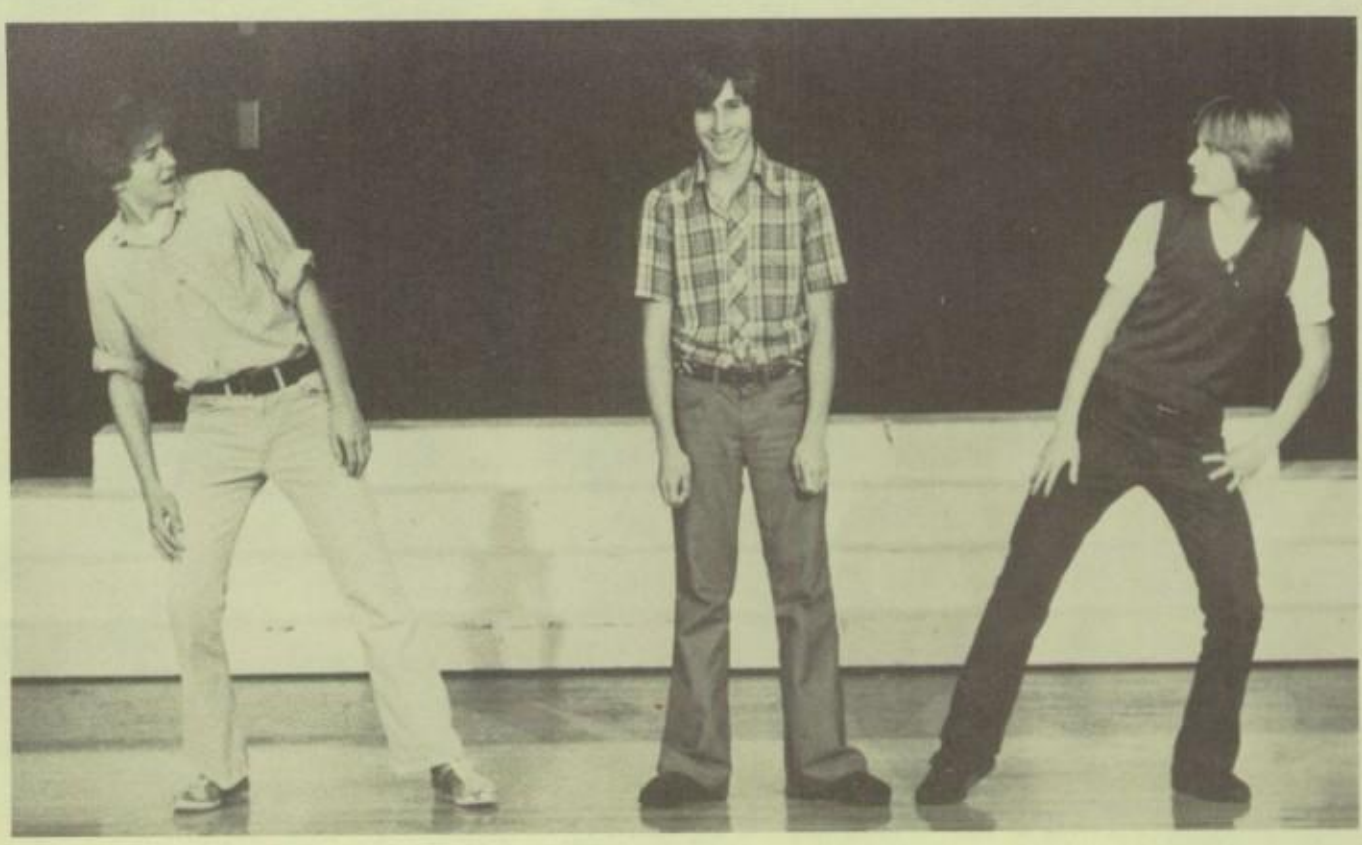
He's such a gentleman.

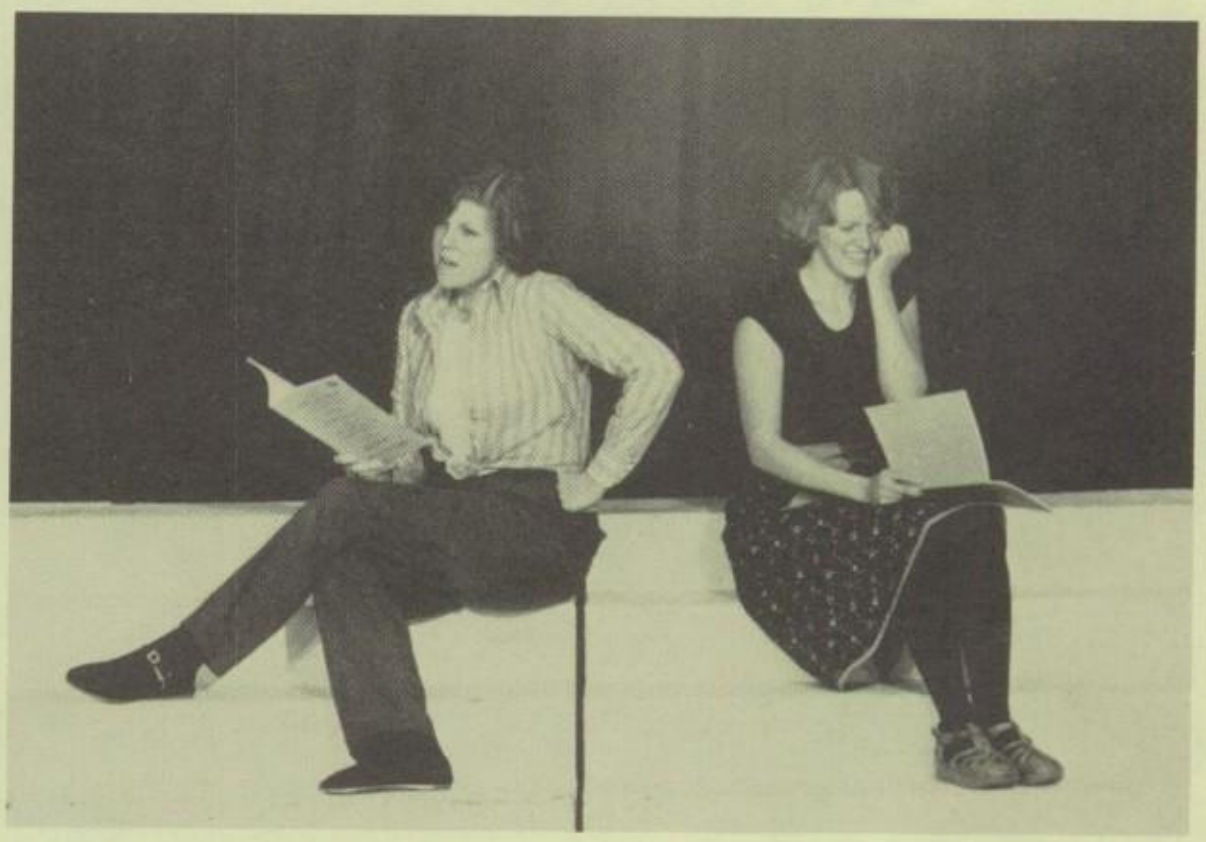
So there!

So there yourself!!

"GUYS AND DOLLS"







"Guys and Dolls" is an off-beat musical that involves two couples in an unusual romance. The story takes place in New York City during the early 1950's. Skye Masterson and Sarah Brown are the first couple and Nathan Detriot and Adelaide are the second couple. Skye and Nathan are gambling buddies.

One night Skye bets on whether or not he can go out with Sarah Brown, a Salvation Army worker. Sarah accepts Skye on the promise of receiving twelve "converted sinners".

The second couple Nathan and Adelaide have been engaged for fourteen years. Adelaide is a chorus girl at the Hot Box.

When the girls discover that Skye and Nathan are still gambling after they promised not to, Sarah and Adelaide refused to marry them. Sarah and Adelaide, however change their minds with the idea of changing Skye and Nathan after they're married.

"Guys and Dolls" was performed on May 18, 19, and 20th at 7:30 P.M. with a matinee the 20th at twelve o'clock. Admission was $2.50 for General, and $2.00 with A.S.B., under 12 or over 65. The musical took 2 1/2 hours to perform. Ms. Linda Jackson was the choreographer, blocker and director of "Guys and Dolls". Mr. Wayne Edwards conducted the music and Mrs. Lee Glover worked with the vocal parts. Ms. Jackson was very ably assisted by Les Hackey (Asst. Dir.) and the sixth period play production crew without whose help "Guys and Dolls" would not have been a success it was.

SONG GIRLS SING OUT

The Song Girls did it again for the fourth straight year in a row at the Santa Barbara Specialty Camp!

This unprecedented record of winning the first place trophy in routines was the climax of the stay at camp this year. The build up was the winning of eight individual ribbons. Every girl on the squad took an award home with them.

Irvington is very proud to have such a marvelous group of Song Girls.

The squad was made up of: Renie Ellegood, Cathy Huk, Sheryl Schanen, Tricia Merck, Michelle Rotiski, Lori Machado and Melody Galven-Head.

The young Junior Varsity Cheerleaders had a great year!!!!

They started the year by taking three superior and one excellent ribbons at the Santa Barbara Specialty Camp. Through all their diligent effort they were recognized with the "Hardest Working" trophy given each year to the most energetic squad in their division.

Not one to rest on their laurels, during the J.V. Basketball Tournament this spirited squad won the Spirit trophy, beating out high schools from all over the South Bay.

This year's squad was under the leadership of Lorena Richardson-Head, Veronica Dobbert, Kim Federico, Renee Campbell and Vicki Graham.

FLAG GIRLS

Besides adding colorful harmony to the Irvington High Marching Band, the flag girls also competed with other flag girls in many parades and competition throughout the year.

Two parades the girls were especially proud of, were the Pathfinders and Veterans' Day Parades. In these competitions they took a second place in their division.

PAPA DU RUN RUN

This year was the sixth consecutive year for Papa Du Run Run to visit our school. Students were able to watch Papa Du Run Run perform during a lunchtime rally and an evening concert. The terrific Beach Boy's style music was enjoyed by all those students that attended both events.

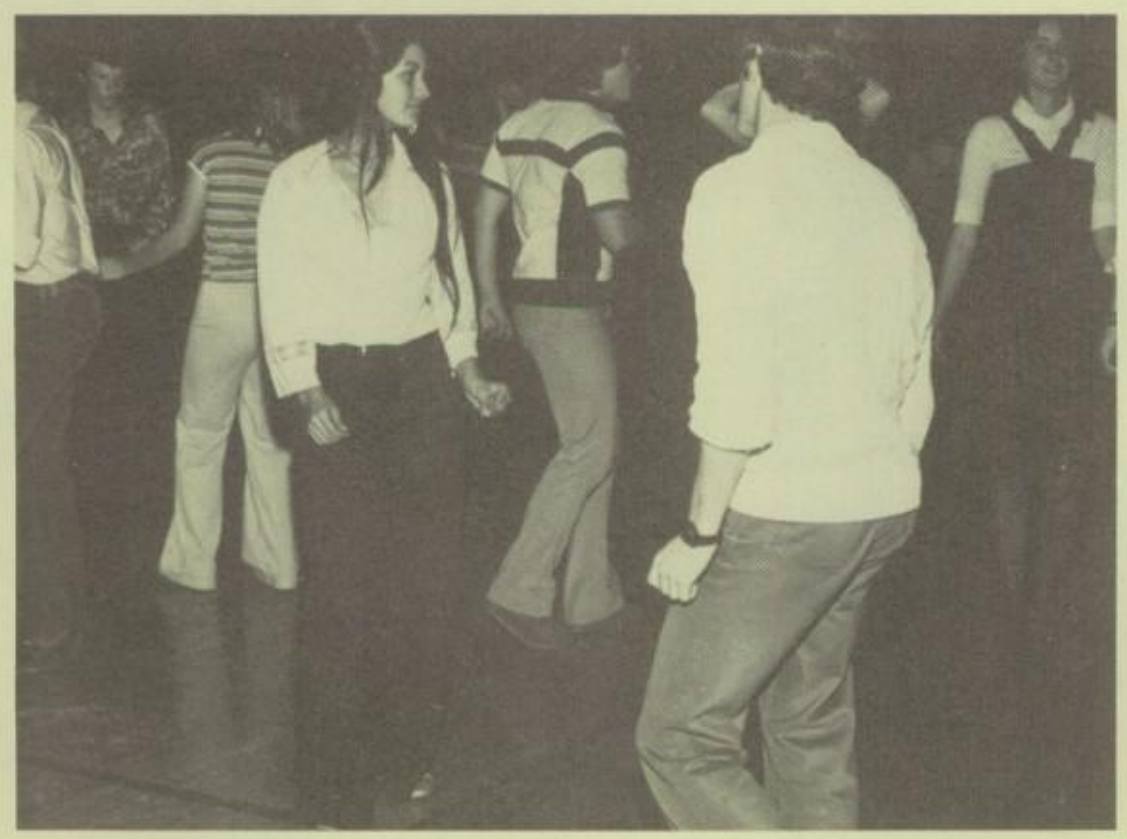
DO YOU WANNA' DANCE

On Friday, February 24, 1978, the Senior Class sponsored an informal dance. The music was provided by the band "Desperado". For those who attended, it proved to be a night of fun and enjoyment.

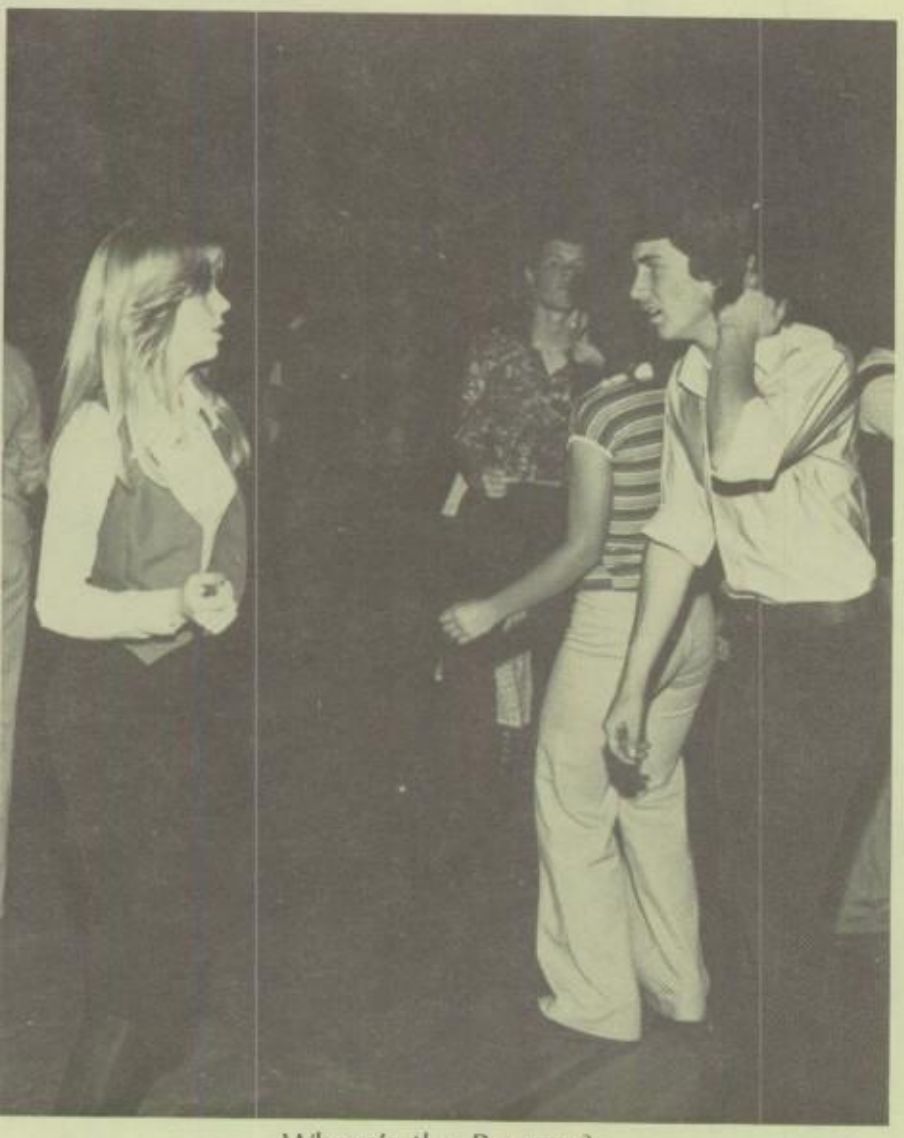
Here come the Marines

Now just follow my steps



Another typical Irvington High Dance

I wonder if this dance will ever end



Where's the Bengay?

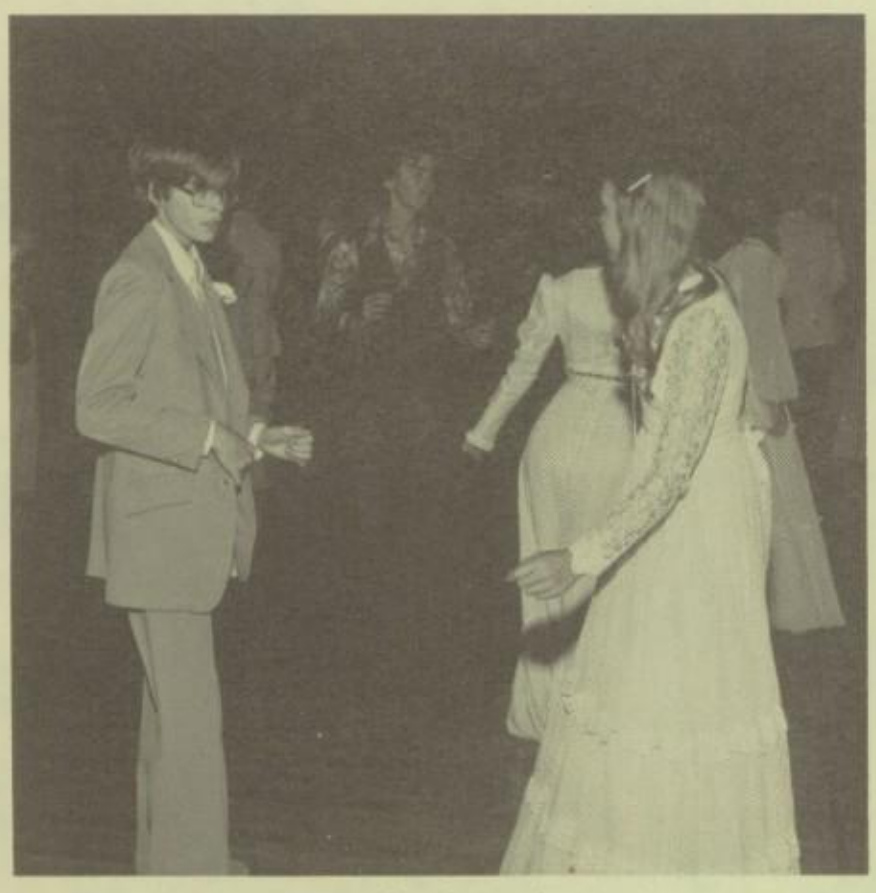
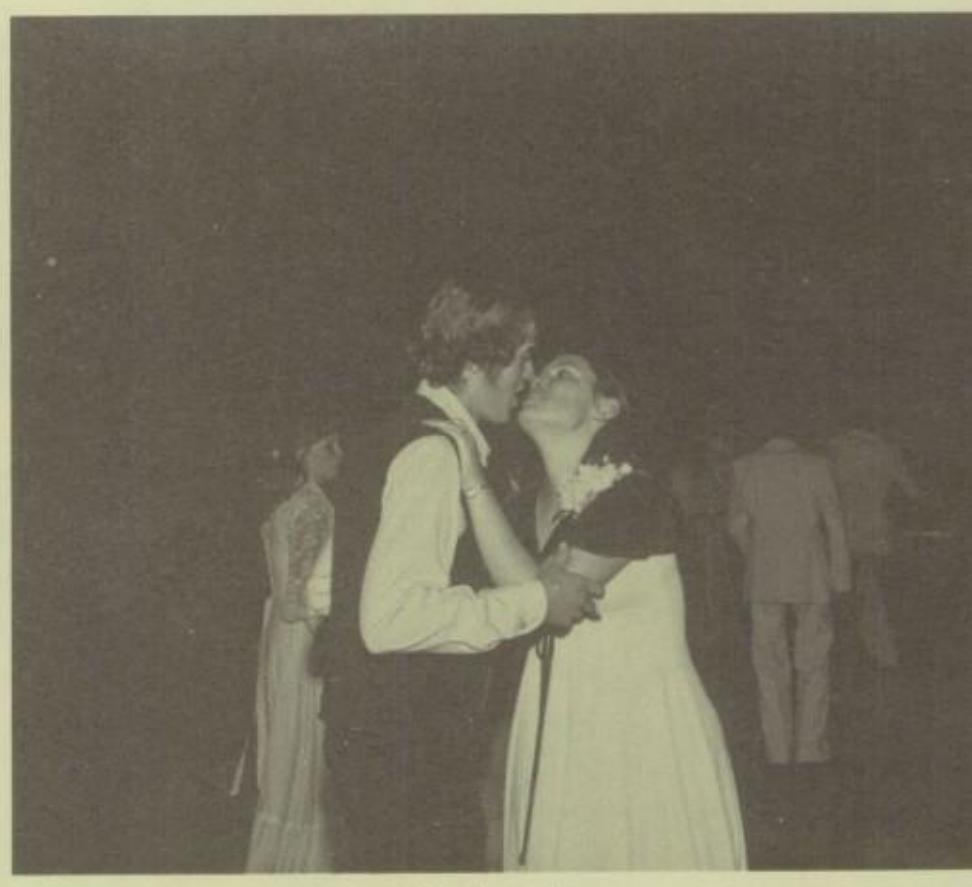
BLUE MIST

On Friday, December 16, 1977 the Girls Block I sponsored the Sixth Annual Blue Mist Dance. Over 90 semi-formal attired couples danced to the great sounds of "Wish." The gym was transformed into a Christmas wonderland, where the couples danced the night away.

You call that a tree?



I can't move!



It's still working.

Is this far enough apart?

Wow! Look at that!

THE CORONATION BALL

The Coronation was held in honor of the '78 Spirit Queen. The dance was sponsored by the A.S.B. and was an unexpected success. The band that played was named "Wish" and it was a very outstanding band. Thanks to all who made the dance a success.

Another exciting dance at Irvington.

Come on and dance!

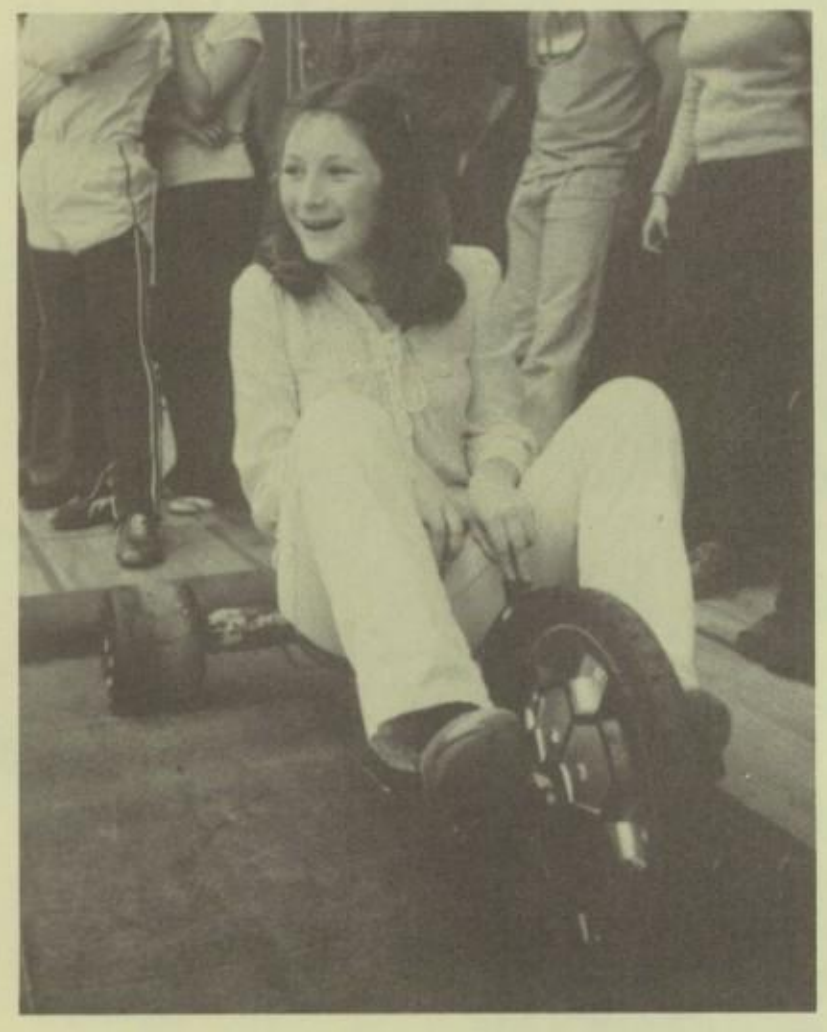
SOPHO-MORES FRESHMEN



The Freshmen class of 1981, pictured in the top photos of these two pages, proved to be a very spirited class. Many Freshmen dressed in the Great American theme and yelled until their throats were sore. This spirited class placed fourth overall behind the upperclassmen.

The Sophomores, pictured in the bottom photos of these two pages, yelled and screamed their way through spirit week. Their spirited voices were by far the loudest. The Sophomores placed second in the noon contests and overall placed third behind the upperclassmen.

HOMECOMING RALLY

The 1977-78 Homecoming Rally, held on February 10, 1978, created a road of enthusiasm and excitement that led to the evening's suspense-filled homecoming game against American.

The rally began with the Freshman class showing off its successful eagle-fighting skills. Following the Freshman skit, were the Sophomores, who demonstrated to the audience their superb basketball skills. A trip in time that began at the Wright brothers launching area and ended in the future years of machine-made men highlighted the Junior class skit. A Great American motorcade race between the children of a "kooky" American family and a "perfect" Irvington family was the hilarious entertainment that the senior class provided.

The effort, participation, and enthusiasm of the Junior class led them to their first place victory in the Spirit Week celebration. Following them were the Seniors, Sophomores and the Freshmen.

That night at the game, John Fasesky and Erin Sare revealed the Spirit Queen and her court. Last year's queen, Shari Butler, had the honor of crowning Teresa Valentine as Irvington's '78 Homecoming Queen. Teresa's court consisted of Barrie O'Donnell, Terry Sukovez, Melody Galvan, and Heidi Kendall.

This year's Viking Football team was led by co-captains, Greg Meily and Jerry Collins. The team showed great desire and determination in compiling a 3-7 won-lost record. The Vikings played many close ball games that kept the crowds on the edge of their seats until the final gun, but seemed to lose out in the final seconds each time. One of the most outstanding qualities of this team was that they would pull together and try harder the next week. According to Coach Miller this team laid the groundwork for next year's team.

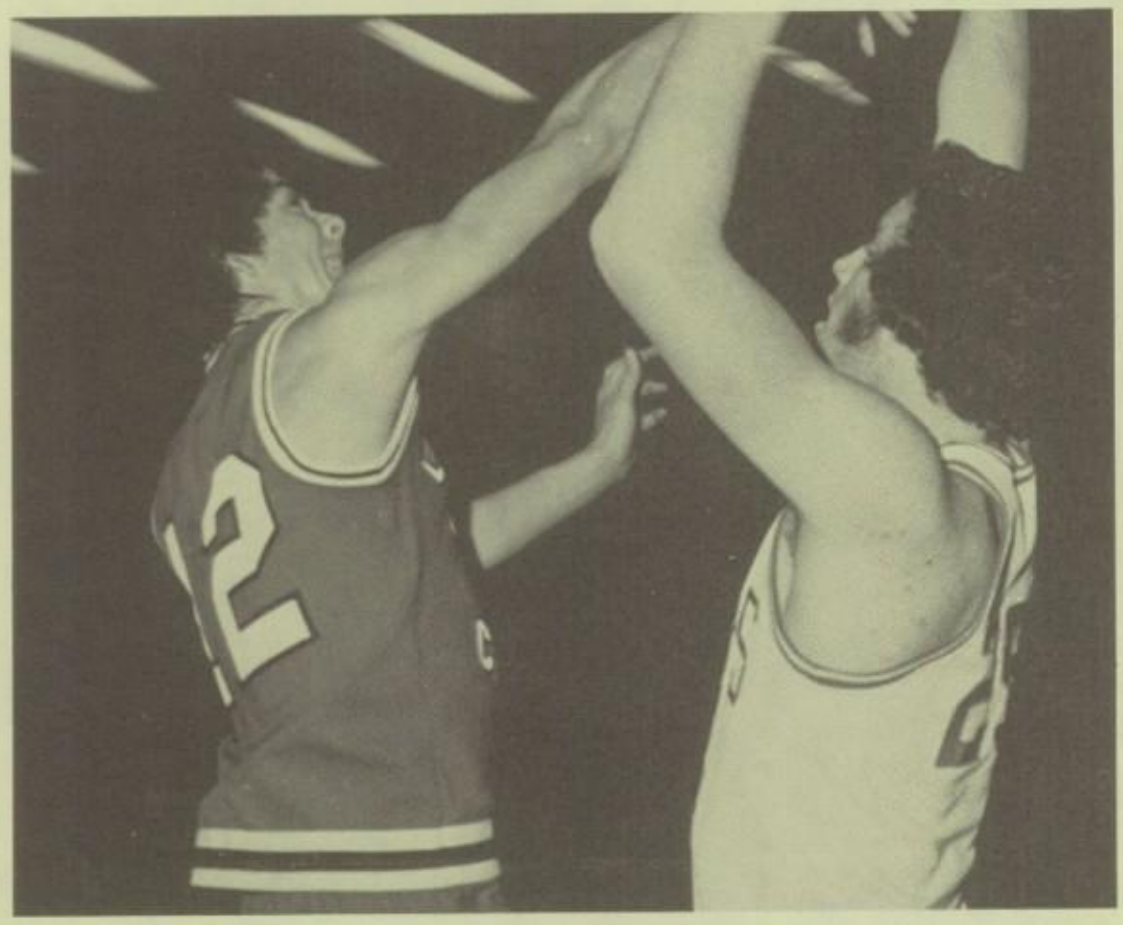
VARSITY BASKETBALL



With the help of Coach Boggs, this year's Varsity team did a superb job.

This year's Varsity team was a young team consisting of a lot of Juniors. The old saying 'wait until Next Year' certainly fits the 1977-78 Varsity team.

Some of the Juniors who will be back next year are: Kevin Palmer, Joe Schultz, Mark Cesare, John Valentine, and Eric Gardner. The Seniors will be missed as they contributed a lot to the basketball team at Irvington.

Best of everything to Mark Allein, Mike Campbell, Rick Burnett, Jose Nieves, and Gabe Hendrix.

With a lot of work and dedications, the Vikings should be a top contender in 1978-79.

VARSITY WRESTLING

Irvington's wrestling teams this past season was comprised mainly of Sophomores and Freshmen. Coach Fern said he was very satisfied with the tremendous effort put forth by all the wrestlers. The team's strength, speed, agility, and positive attitude were four attributes which enabled them to be a competitive wrestling team. Two of our seniors, Dan Torquemada and Greg Meily both seasoned varsity wrestlers, possessed these four qualities and an abundance of natural talent. Their own outstanding performances always inspired both the J.V. and Varsity teams. Dan and Greg also provided leadership as co-captains of the Varsity wrestling team at meets, tournaments, and practices.

Our young team gained invaluable experience this past season. This combined with the teams great potential and Coach Fern's own unquestionable coaching excellence, promises for next year, two very seasoned, highly competitive teams.

Seniors of 1978 will have memories of senior activities, involvement in clubs and athletics, and of other personal experiences with teachers and friends. Some of you will remember that this was the year of the long drought, that we had our first teachers' strike, and that leaders in the Middle East made progress towards peace. Not many will realize that this is one of the first classes of almost complete integration of boys and girls into all areas of curriculum, including a complete equal sports program. How many will realize that this is to be one of the last classes that will be allowed to graduate without first having to pass final competing exams in reading, writing and mathematics.

You, the class of 1978, are at the end and beginning of changing eras. You have witnessed and been subjected to the pressures and demands of our democratic society and you have seen the effects that this has made on our schools. We, as eduators, feel we have prepared you for additional challenges and have given you the ability to make demands of your own. We urge you to develop high expectations of yourselves, your institutions and your society.

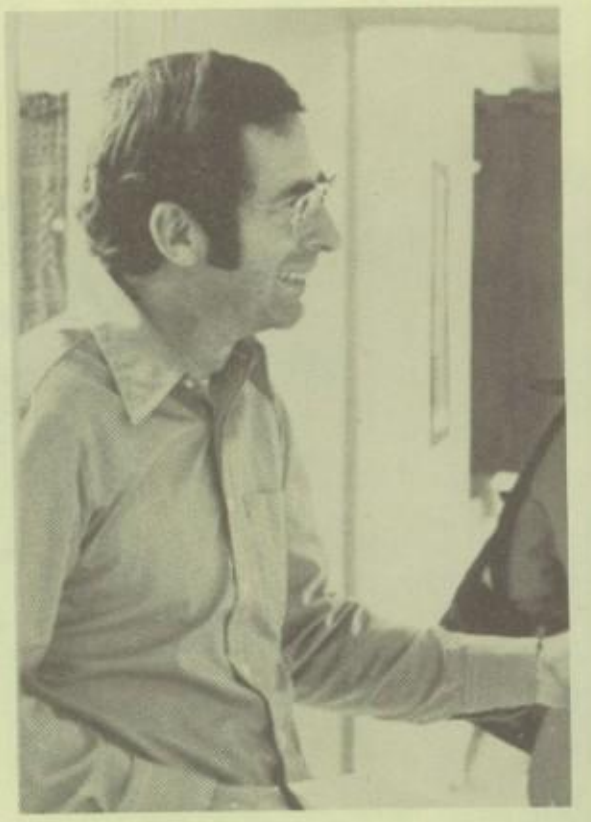
COUNSELORS

Mr. Schornick was Irvington's only part-time counselor last year. He counseled the freshmen from Sk to Z. Mr. Schornick saw students regarding graduation requirements and college prepatory courses. He also attempted to help students with any personal problems at home or school. Mr. Schornick has a Master of Science Degree in Counseling and a Pupil Personnel Credential.



Mr. Costello was the Freshman Class counselor last year. As the Department Chairman, he helps to maintain communication between all of the counselors. This was a new job for Mr. Costello but he feels it is a valuable position. Mr. Costello has a Masters Degree in Counseling with ten years experience as both a counselor and a teacher. He feels that his work with the students is very stimulating because they are optimistic, energetic and honest.

Mrs. Hofer was the Sophomore counselor. She enjoys the various aspects of her job which include helping students make class choices, solving problems and preparing for graduation. She also likes to talk to the students about their ideas and to clear them up when they are confused. Her qualifications include a Masters Degree and a Counseling Credential. She really enjoys her job at Irvington.

Dr. Meyer has been a counselor here at Irvington for some past years, but is now counseling in the Career Guidance Center and some sophomores, juniors and seniors. His work in the Career Guidance staff enables him to find resource materials for the other counselors and to inform students of their scholarship and grant opportunities. He assists students in educational and career planning. His background includes a Master of Arts and a Doctor of Philosophy in Counseling. Dr. Meyer said he enjoys helping students solve their problems and to find a direction for their lives.

Mrs. Real was the counselor for last year's seniors. She has worked with the class of '78 since 1976. Her counseling qualifications include a Master of Arts Degree in Education, specializing in Guidance and Counseling, a Pupil Personnel Credential, as well as Administrative and Teaching Credentials. She also taught a variety of subjects and has done some supervising work in Fremont's Community Education Center. Mrs. Real loves her work but is frustrated by the increasing demands of paperwork which reduce her time with individual students.

Mr. Lynch was the Junior class counselor. He is available to all students who are having difficulty passing courses needed for graduation. Mr. Lynch believes that the counseling center of several years ago was more effective. The counselors worked more with individual students, groups of students, parents and staff. He as a Masters Degree in Counseling with previous experience teaching and counseling.

FRIENDLIEST

Patti Britto is the Senior Favorite's Friendliest girl. She has attended Irvington all four years and has been involved in many clubs. Patti, also, worked as a wrestling stat. She plans on going to Ohlone or San Jose State to study consumer protection and drama. Patti is presently engaged. Patti's excellent humor and vitality are just two aspects of her charming personality.

Craig Yuhas was selected as Irvington's Friendliest boy. Craig is interested in a variety of things. He enjoys playing football, the guitar and likes his dog. Craig is currently living with three friends but hopes someday to live by the beach. His obvious warmth, sensitivity and wit certainly are a large part of his friendly personality.

MOST LIKELY TO SUCCEED

Mitch Louie and Lori Masamitsu were voted most likely to succeed. Due to unavoidable circumstances this Senior Favorite picture was not photographed.

Lori plans to go to U.C. Berkeley. She is interested in translating old manuscripts. She likes literature and writing. Lori attended Irvington all four years. She was involved in the MGM and Student Curriculum councils. Lori feels that success is achieved with contentment and self satisfaction.

Mitch declined to have his picture taken.

CAMPUS CLOWNS

Connie Campbell and Dave Hague were voted campus clowns by the Senior class. They can always be seen in the middle of a group doing what they do best, "clowning" around. Dave has participated in Football, Soccer and Track. He plans to go to Ohlone next year. Connie plans to go to South Africa to study the culture of the African societies.

MOST INDIVIDUAL

John Fasesky and Barrie O'Donnell were noted as the Most Individual Seniors for obvious reasons. They weren't inhibited by the people or things happening around them. Both John and Barrie are graduates of est training. They enjoy old fashioned clothes, Birkenstock sandals and San Francisco. Individuality is the salt of common life. You may have to live in a crowd, but you do not have to live like it, nor subsist on its food, says John.

FAVORITE TEACHERS

The senior class of 1978 voted Ben McEntee and Kate Middleton as their favorite teachers. Mr. McEntee has many interests. He enjoys running, and talking to students. He also enjoys teaching very much. He said the class of "78" is very unique. The students are their own person and therefore very enjoyable people. Ms. Middleton enjoys camping, hiking, and going out to eat. She also enjoys borrowing records, and losing them. Unfortunately she was unable to make the picture.

CUTEST SMILE

As you can tell by those beautiful smiles, Claudette Criswell and Craig Yuhas were voted as the seniors with the cutest smiles.

Claudette was involved in girls' athletics and was the Editor of the 1978 Saga. Her future plans include a trip to Australia where she hopes to further her college education. She has decided on a career in Counseling. Her interests lie in racing (Aspires to be a mechanic for David Martin a future Indy driver.) and writing.

Craig was on Irvington's football team and was also in Boys' Block I. He plans on continuing with his swinging bachelor reputation through his college studies at Long Beach State. His terrific $1200 smile will be an asset to him with his paramedic career.

It was a cold frosty morning during October, the 17th to be exact, when all concerned teachers were awakened from their slumber with the shrill note of a 4:00 a.m. call. They huddled in a cold movie theatre rubbing the sleep from their eyes exchanging nods and murmuring hellos. Then the question was asked . . . and the response was STRIKE!

Three weeks came and passed and the sidewalks started to wear thin, but the strikers still trod their circuitous course. They weathered the comments, both pro and con of students and passerbys. Finally the strike was over, for an agreement had been met.

BUS (415) 651-6620

RES (415) 657-0474

I have a gamut of feelings as my four years of affiliation with Irvington draws to a close.

My Freshman year held feelings of confusion and strangeness that quickly became ones of unity and belonging. It's very disheartening to me to see these emotions diminishing with everyone. i.e. Spirit Week, rallies, dance attendances. This institution, called school, has been hit so hard by social alterations along with people who turn to crutches in face of responsibility. I'm not exactly sure what the principal factor in this enigma is, but I sincerely hope it is rectified for the well being of our society. I feel the initiative must come from us students for parents only open fire when there is trouble and certain administrators walking through the halls telling people to go to class is definitely not the answer.

I've enjoyed my three years at Irvington. I truly hope that all the underclassmen can find some pleasure also. There are some great teachers around here, (some not so good too!) but education, (Whatever it is) taken in the right perspective can be enjoyed.

Enough philosophizing!!

Now it is time to pay tribute to my friends and family that have listened to me bitch about getting advertising and irresponsibility of my staff. This yearbook has been one of the biggest hassles of my life, but I'm glad it turned out decent. Our theme didn't make it, Wade, but that's okay.

This Class of '78 has gone through quite a bit from new required courses-C.D.M. to a Junior Prom somewhere other than Sunol. As I recall we went through a few attendance systems too! We were the wonderful class that got denied a rightfully deserved first place in last years Spirit Week. I'm sure that this loss had an effect on the overall spirit exhibited this year. We also were the beloved class with the officers of tainted reputations. I think you guys have done a terrific job no matter what.

One last thing I'd like to mention. It is in regards to the Strike. There may be a number of young people who felt that such action was wrong, but you may not have considered all of the circumstances. I got into some trouble with my position during this event, as I may now, but I want to express my thanks and respect for you students who supported the teachers and their convictions.

Special thanks goes to Stephe Landon for making my page beautiful I should thank Terri Martin for being in Northern Calif. where it was taken.

Well, what do you think of it Andrea? Did I MENTION enough Patti? It was a nice try with the skit Cindy. This isn't what you read before is it David?

Dear Mr. Franco I know I wouldn't admit that you aren't a grump in public, but you really are pretty nice and HANDSOME right? The best of luck to you and your wife.

Take care of yourselves Class of '78! I wanna see you all at the reunion.
